Cavaliers In Exile:

The Cavaliers in Exile 1640-1660 G. Smith,2003-11-03 As a consequence of their support for the royalist cause in the English civil wars several hundred Cavaliers often accompanied by their families went into exile in Europe for periods ranging from a few weeks to twenty years This is an original ground breaking study that identifies which Cavaliers went into exile and explains how they coped with the wide range of circumstances that they encountered in the different countries in which they settled

Royalist Agents, Conspirators and Spies Geoffrey Smith,2011 In this book the role of royalist agents spies and conspirators is uncovered and examined Shifting the traditional focus of attention from royal ministers councillors and generals to a cadre of loyal resourceful and courageous agents several rungs lower down in the hierarchy of the king s supporters the book presents a unique picture of the royalist cause In a lively yet scholarly style it reveals a world of feuds jealousies rivalries and shifting allegiances that divided and disorganised the leadership of the king s party
