## **Anna Teller:**

*Anna Teller* Jo Sinclair, 1992 Highly praised at its first publication in 1960 *Anna Teller* is the story of 75 years in the life of a Jewish Hungarian family from their roots in Europe through the separate migrations of the son and the mother into the U S and their eventual reconciliation A fascinating story Kirkus Reviews **American Night** Alan M. Wald, 2012-10-15 *American Night* the final volume of an unprecedented trilogy brings Alan Wald s multigenerational history of Communist writers to a poignant climax Using new research to explore the intimate lives of novelists poets and critics during the Cold War Wald reveals a radical community longing for the rebirth of the social vision of the 1930s and struggling with a loss of moral certainty as the Communist worldview was being called into question The resulting literature Wald shows is a haunting record of fracture and struggle linked by common structures of feeling ones more suggestive of the negative dialectics of Theodor Adorno than the traditional social realism of the Left Establishing new points of contact among Kenneth Fearing Ann Petry Alexander Saxton Richard Wright Jo Sinclair Thomas McGrath and Carlos Bulosan Wald argues that these writers were in dialogue with psychoanalysis existentialism and postwar modernism often generating moods of piercing emotional acuity and cosmic dissent He also recounts the contributions of lesser known cultural workers with a unique accent on gays and lesbians secular Jews and people of color The vexing ambiguities of an era Wald labels late antifascism serve to frame an impressive collective biography **Glen V.
