## **Anointed Expository Preaching:**

*Anointed Expository Preaching* Stephen Olford, 2003-09 This book equips and encourages preachers of all kinds to respect their calling and minister God's inerrant Word      *Spirit Empowered Preaching* Mozart Dor PhD, 2020-11-24

Although there are several preaching books today there are only handfuls if any that address the centrality of the Holy Spirit in preaching A hindrance to preaching in the twenty first century is over intellectualization of the Gospel After receiving a Doctor of Philosophy Degree in Preaching I thought I was now ready to prepare and preach an effective sermon that will draw any audience to Christ I told myself I am ready I have attained and I can double the size of any given church with my vast knowledge on preaching Little did I know that my degrees from the best schools around the world were not sufficient to preach the whole counsel of God's Word I have come to realize that clever persuasions of men do not change lives The name of Jesus through the power of the Holy Ghost does The secret ingredient in preparing and preaching Spirit empowered messages is the power of the Holy Spirit Ministers of the Gospel must not depend upon natural means to produce supernatural results but must use supernatural means to produce supernatural results Paul said to the Thessalonians Our gospel did not come to you in word only but also in power and in the Holy Spirit and in much assurance 1 Thess 1 5 The church is in desperate need of revival Sinners are urgently in need of the Savior and only the Spirit of God can convict sinners of their sins and bring revival to the nations Consequently the goal of this book is not to produce another great preaching book but to help students and ministers prepare and present effective Holy Spirit empowered sermons to their audience The book seeks to instruct readers on the importance of the Holy Spirit in preaching the Word of God while laying the foundational building blocks of effective preaching This book is for both beginning ministers who are just starting ministry and for veteran ministers who would like to brush up on their preaching and teaching skills in order to become better Spirit empowered ministers of the Gospel May God bless you and speak mightily through you with clarity urgency fervency and power as you endeavor to preach Spirit empowered messages to a dying generation      The Ministry We Need Jeremy A. Rogers, Jordan N. Rogers, Tony A. Rogers, 2022-05-26 What would cause the apostle Paul to testify that I am innocent of the blood of all Godly qualities characterized his ministry and outside of Christ's there is no greater ministry example All ministers struggle and we all know those who toil in frustration alongside us in the Lord's field You may be amid deep struggle now worn tattered scarred ready to quit you have lost the focus and the joy of your calling Most of us in ministry have known those who have either left the ministry or shipwrecked their faith Quite possibly this is you What we need to do is put our hands to the plow focus on our calling and the path before us and determine to finish well Drawing on Paul's example from Acts 20 17 38 the authors prescribe ministry principles touching on a wide range of pastoral and preaching insights Some have a ministry they should not want some desire a ministry they think they want but this book seeks to identify the ministry we need      **Preaching** John F. MacArthur, Master's Seminary Faculty, 2005-08-21 Many

sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching In *Preaching How to Preach Biblically* John MacArthur well known passion for the Bible combines with the expertise of faculty members at The Master s Seminary to inspire and equip preachers in effective biblical preaching *Preaching How to Preach Biblically* flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages connecting what pastors learn in seminary with the sermons preached in a local church This volume shows how to progress purposefully from one phase to the next in preparing to minister to God s people through preaching This book answers these questions and more What is expository biblical preaching What are the theological and historical foundations for insisting on expository preaching What are the steps involved in preparation for and participation in biblical preaching What models exist for expository preaching today The Master s Seminary faculty with over thirty years experience in preaching and seminary training of preachers contributes a treasury of expertise alongside insights from expositor John MacArthur While united on their commitment to exposition the variety of individual expressions and methodological preferences discussed offers beneficial assistance for any preacher seeking a higher level of expository excellence

**Equipped for Good Work** Joe H. Cothen, Th.D,2014-11-21 A practical handbook for today s pastors Extensively updated to aid in meeting the increased demands and challenges of twenty first century ministry this edition includes expanded indexes reading lists and technological suggestions Covering everything from policy programming to organizational management each invaluable chapter serves as a vital resource for ministers facing the challenges of pastoral work today

**How Effective Sermons End** Ben Awbrey,2022-07-21 Extremely rare is the preacher whose preaching could not be improved substantially by readdressing his sermon conclusions Moreover a sermon conclusion marks the typical preacher s greatest need for improvement in his preaching This most significant element of a sermon has been championed for its importance in a sermon and yet the conclusion is trivialized in if not omitted from the preaching of sermons Whether textual topical or expository in preaching methodology the typical preacher has a greater understanding and better implementation of everything else related to preaching in contrast to what is understood and done in concluding sermons Much is not done and much more is not understood to conclude sermons with clarity strength and persuasiveness *How Effective Sermons End* provides a comprehensive approach and thorough examination of the sorely needed and long overlooked instruction regarding that most vital of all elements of a sermon the sermon conclusion This book fills the existing void in homiletical pedagogy about concluding sermons a void that prevents preachers from reaching their full potential of effectiveness in the ministry of preaching the Word of God The pathway of better preaching is knowledge and skill to effectively conclude sermons and this book floods that pathway with light

Progress in the Pulpit Jerry Vines,Jim Shaddix,2017-06-06 Take your preaching to the next level Like musical instruments preachers get better over time unless of course they neglect maintenance *Progress in the Pulpit* is for seasoned preachers

looking to refresh their craft and receive guidance for contemporary challenges to preaching While most preaching books are geared toward new preachers Progress in the Pulpit builds on the basics and focuses on what often falls into neglect You will learn to better Connect to audiences without compromising biblical truth Plan evaluate and get feedback on sermons Battle biblical illiteracy in your congregation Employ word studies and other technical aspects of biblical interpretation Increase imagination and creativity in sermon writing Extend the life of a sermon via social media small groups and more Establish habits for continued growth Take advantage of guidance that will help you stay sharp and grow in the craft of faithfully proclaiming God s Word
