Battle Begins:

The Battle Begins!, 2010 *Statistics of the Military Effort of the British Empire During the Great War. 1914-1920*
Great Britain. War Office, 1922 [The Battle Begins](#) Bill Myers, 2017-08-08 What if Jesus were in high school today Who would he hang out with What would he say What would he do In Book one of this novella series the stage is set and introductions are made by none other than Satan himself as he tries to destroy Eli's mission before it ever begins

Homer's Iliad: The Real Story John D. Martin, 2025-07-30 For the nearly three millennia since its creation the Iliad's Real Story has gone undiscovered Homer a blind poet as antiquity believed him to be created a powerful war story which must have enthralled his listening audiences But this story concealed another one far grander in design and immensely more clever in execution which can be discovered only by careful examination of the written text Living in an age where literacy was minimal Homer created this story for the gods and undoubtedly never expected any mortal to understand it Homer's imaginative fantasy radically undermines traditional Trojan War mythology and exposes the speciousness of war's glory the folly of the warriors who supposedly fight for it and the amorality of the gods who help them do so Homer's great war poem great indeed war poem indeed is in its depths antiwar In piecing together the Iliad's web of secret plans deeply hidden motives and subtle lies and deceptions and in the process identifying and discarding post-Homeric corruptions to the text we will find an Iliad which is not a prelude to Achilles' glorious early death and the Fall of Troy but the opposite In a concealed ending towards which the entire story has been leading Homer's own words will tell us how Achilles as supplicated by Priam chooses a long life without renown and goes home The Greek army unwilling to fight without its greatest warrior leaves also sparing peaceful holy Troy Zeus' favorite city and best hope for mankind Homer tells this story with a brilliance that is almost unimaginable until one actually encounters it The Real Iliad is an immense intellectual challenge and an inexhaustible source of surprises Far from a formalistically heroic epic as has long been thought it is an imaginative expression of the full creative powers of Western antiquity's greatest author **Personal Reminiscences of the War of 1861-5** W. H.

Morgan, 2023-10-25 In *Personal Reminiscences of the War of 1861-5* W. H. Morgan offers a poignant and immersive account of the American Civil War couched in a reflective tone that blends personal narrative with broader historical insight Morgan's prose captures the chaotic essence of battle and the profound psychological toll of war employing vivid imagery and intimate anecdotes that provide readers a window into the lived experiences of soldiers This literary work is situated within the rich tradition of war memoirs yet stands out for its sincerity and the author's ability to convey complex themes of duty honor and the moral ambiguities faced during a tumultuous period in American history As a veteran of the Civil War himself W. H. Morgan's firsthand experiences deeply inform his writing His background and encounters during pivotal battles lend authenticity to his reflections making him not just a chronicler of events but also a philosopher grappling with the implications of courage and sacrifice Morgan's nuanced understanding of human nature and the impact of war on personal

identity further enhances the depth of his narrative This book is highly recommended for readers interested in historical memoirs military history or the psychological landscapes forged by conflict Morgan s heartfelt reminiscences provide an essential perspective for those seeking to comprehend the multifaceted realities of the Civil War and its enduring legacy on American society

The Memoirs of Field Marshal Montgomery Viscount Montgomery of Alamein,2006-03-19 In his own words the victor of El Alamein tells his life story in a book that s an absolute joy to read and may be described as a tour de force Belfast News Letter First published in 1958 Montgomery s memoirs cover the full span of his career first as a regimental officer in the Royal Warwickshire Regiment and then as a Staff Officer His choice of the Warwickshires was due to his lack of money He saw service in India before impressing with his courage tactical skill and staff ability in the Great War Despite his tactless uncompromising manner his career flourished between the wars but it was during the retreat to Dunkirk that his true brilliance as a commander revealed itself The rest is history but in this autobiography we can hear Monty telling his side of the story of the great North African Campaign followed by the even more momentous battles against the enemy and sadly the Allies as he strove for victory in North West Europe His interpretation of the great campaign is of huge importance and reveals the deep differences that existed between him and Eisenhower and other leading figures His career ended in disappointment and frustration being temperamentally unsuited to Whitehall and the political machinations of NATO
