

A group of diverse professionals are gathered in a meeting room with exposed brick walls and arched windows. They are sitting on the floor around a large wooden table, engaged in a collaborative discussion. A man in a grey shirt is pointing towards a laptop on the table. A woman in a blue patterned dress is looking at the laptop. A man in a yellow shirt is standing and looking towards the group. The scene is lit with warm, natural light from the windows. A large, dark, semi-transparent overlay covers the left side of the image, containing the title text.

Be Compassionate Leaders Guide:

The Compassionate Leader's Playbook Steven Hargreaves, 2021-11-18 Awaken the power of compassionate leadership

The Compassionate Leader's Playbook provides a powerful and pragmatic approach for leaders everywhere who are inspired to build a more compassionate and inclusive world of work where everyone can thrive achieve and stay well In this important and timely book Leader Coach and Founder of The Compassionate Leadership Company Steven Hargreaves demonstrates how leading with compassion is great for business culture and the bottom line and how when we lead with compassion everyone benefits The Compassionate Leader's Playbook is accessible practical and full of tools tips and insights to support leaders to awaken and leverage the power of compassion It introduces the reader to the 360 of Compassion Framework™ A powerful holistic framework which the author has developed to identify the values qualities skills and competencies which are required of leaders and their teams to build and sustain a more compassionate workplace It is informed by contemporary writing and research into compassion leadership wellbeing and high performing teams along with the authors own perspective leadership experience and time he has spent coaching leaders and their teams in how to develop a more relational connected collaborative and compassionate approach to their life and work The framework is also an accountability structure to ensure that the leader their team and the wider organisation work in such a way as to honour those values It provides a solid foundation and guide to leading with compassion The book explores in depth each of the component parts of the 360 of Compassion Framework Self compassion Attention Humility Fairness Respect Integrity Empathy and Courage to support leaders to tap into and leverage the resources they already have in abundance whilst helping them generate new insight perspective and learning supporting them to work effectively and with agility within and across these 360 of Compassion enabling greater performance productivity engagement inclusion and wellbeing across the teams and organisations they lead The book contains the new 360 of Compassionate Leadership Self Diagnostic Tool to enable readers to identify where they are on their journey to awaken their own compassion potential along with what steps can be taken to elevate their leadership to a more compassionate level The diagnostic process takes the shape of a series of themed self reflection exercises for the reader to complete which build by the end of the book into a complete 360 of Compassion Self Diagnostic™ This is designed to help the reader to build self awareness and to self assess where they are on their journey towards awakening and optimising their compassion potential The author believes that the contemporary workplace is one where relationships connectivity wellbeing and purpose now take centre stage and believes it is time for us to seize this moment For leaders to lead with renewed energy enhanced kindness integrity and empathy For a more connected personal and relational approach to leadership to emerge and become business as normal for everyone The author believes that what people need and want from leadership has changed and leaders and organisations need to maintain pace with those changes and create the optimal conditions for everyone to be their best and to do their best This book provides a response to that

leadership call to action and to bring compassionate leadership to life as a definable tangible and practical approach to the day to day leadership of the self and others To explain why compassion in leadership matters what compassion is and how leaders can bring it to life in their everyday leadership in order to enhance the value they bring to a modern more relational world of work *The Compassionate Leader* Jan Vermeiren,2019-09-18 One of the myths in business is that people resist change Not everybody resists change And the ones who do don t resist the change but the tensions that come with change As a consequence the first step is to see in which vibe an individual or team resides Is that the negative or neutral vibe then change will usually be considered as negative If it is the positive or inspiring vibe then change is welcomed as an opportunity In the positive and inspiring vibe people are also willing to enthusiastically pursue goals and contribute to the purpose of the organization The reason that tensions by people in the negative or neutral vibe are considered as negative and why they get stuck in those vibes is that they don t know how to deal with the tensions They don t have any tools or techniques at their disposal The key to successfully working together and reaching the goals of change projects is first raise the vibe in the day to day operations And only then implement large or small change projects The book *The Compassionate Leader* provides you with the right tools The D U E T framework includes techniques to solve the different kinds of tension practical personal or interpersonal As a consequence the vibe of an individual or team rises automatically A specific approach for leaders and coaches to facilitate others in this process *Compassionate Leadership* The tools techniques and insights are presented via the practical case of the fictitious company Gizmo Objects Inc in which the story of manager Catherine shows how step by step the space is created for the inspiring vibe where results and well being reinforce each other *The Compassionate Leader* is the fourth book of Jan Vermeiren who received worldwide recognition with his books *Let s Connect* and *How to REALLY use LinkedIn* With his current company he supports leaders and coaches to become *Compassionate Leaders* who guide individuals and teams into the inspiring vibe
