Be Nice:

Work Hard. Be Nice. Jay Mathews, 2009-01-20 When Mike Feinberg and Dave Levin signed up for Teach for America right after college and found themselves utter failures in the classroom they vowed to remake themselves into superior educators They did that and more In their early twenties by sheer force of talent and determination never to take no for an answer they created a wildly successful fifth grade experience that would grow into the Knowledge Is Power Program KIPP which today includes sixty six schools in nineteen states and the District of Columbia KIPP schools incorporate what Feinberg and Levin learned from America s best most charismatic teachers lessons need to be lively school days need to be longer the KIPP day is nine and a half hours the completion of homework has to be sacrosanct KIPP teachers are available by telephone day and night Chants songs and slogans such as Work hard be nice energize the program Illuminating the ups and downs of the KIPP founders and their students Mathews gives us something quite rare a hopeful book about education *It's Nice to Be Nice* Debra K. Isakson, 2011-03 Though Tommy is a good boy sometimes he misbehaves And with a younger brother looking up to him his mother knows it s time for her son to learn what it means to be respectful of others Debra K Isakson s playful and educational story *It s Nice To Be Nice* will teach children the value and importance of good behavior **Four Comedies** Kenneth P. Langer, 2018-09-12 Comedy is how we cope with the absurdity of life The person who cannot step back and see how ludicrous are most of the things we encounter in life is the person who gets mired and engulfed in them Comedy lets us step back and see the whole picture It reminds us of what is really important which certainly includes laughing and laughing often These four comedies each take on several situations but exaggerate them until they become enlarged and laughable To each are added an unusual use of standard theatrical tradition A writer of one play becomes involved with his own characters Another play actually moves backwards in time Another comedy is actually two separate plays that come together while another claims to be a musical but has no singing whatsoever Come along for the fun and laughter and lighten your burdens for a while **The Puritan** ,1900 *Universal School Music Series* Walter Damrosch, 1923 *Always Be Nice!* Lauren Radke, 2021-12-20 Artist Lauren Radke s debut children s book *Always Be Nice* introduces Frog and his friends colorful characters she has enjoyed creating for years The endearing characters share their message of kindness while realizing the impact on others Frog learns the contagion of smiles and spreads his kindness shown with a progression of illustrations One more frog smiles then two then all are smiling The difficulty of being nice to others when they are nasty is discussed Examples are given as to why someone may be acting meanly which could open a conversation bringing understanding and in th *The Delineator* ,1905 **Be Nice (or Else!)** Winn Claybaugh, 2004 If you ve tried it all being smart driven healthy clever beautiful first fastest don t forget the one thing that will give you what you really want You know those moments when time stands still and you feel good about yourself and the life you re living That s exactly what Be Nice is all about It s your natural ability to experience that irresistible sense of joy freedom and contentment anywhere anytime and with anyone Of

course being nice also makes you more likable looked up to and sought after But the real reason to Be Nice is that it s the one thing you can do today right now that will make you and anyone around you genuinely happy The Be Nice revolution does come with a few new rules For starters it s not about being a doormat You can say no a lot and still Be Nice You can speak up be funny disagree and even be completely honest well almost and still Be Nice Wouldn t you like to be the one to Inspire others Build business Defuse anger Bring hope Heal pain Change the world for the better Add nice to whatever you re good at and watch your relationships flourish your career skyrocket and opportunities for happiness and success open up all around you Book jacket **The Juvenile Instructor** ,1899 **Sometimes It's Hard to Be Nice** Maggie C.
