Little Girl with Crooked Bangs Lynn Rae Davidson, 2022-11-03 How many of us can remember a time when we got a bad haircut That was true for the Little Girl with Crooked Bangs who takes you on a journey of her life The blood bond of family leaves a blueprint to follow As a child sitting close to Daddy she hears tales of her brave ancestors crossing the Atlantic in search of a better life She watches as her grandpa and his sons become the leading milk producer and delivery business in the area She is nurtured by a strong mother during the Women s Movement of the sixties Surrounded by seventy one first cousins she takes for granted the familial cord that binds them As a young woman she comes face to face with the daunting task of wearing the many hats of wife mother daughter sister and friend She determines in herself the will to survive when her vehicle is hit head on by a woman named Grace who almost robs Lynn of fulfilling her destiny For a brief moment Lynn believes that she is dying her life ending her husband a widower and her children without their mother Her final wish is to let them know how much she loves them However God s amazing grace pulls the woman out from the wreckage pulls her through countless surgeries and unrelenting pain and pulls her back to accepting herself and a new life

Shadow Daughter Harriet Brown, 2018-11-06 A riveting provocative and ultimately hopeful exploration of mother daughter estrangement woven with research and anecdotes from an award winning journalist The day of her mother s funeral Harriet Brown was five thousand miles away For years they d gone through cycles of estrangement and connection drastic blow ups and equally dramatic reconciliations By the time her mother died at seventy six they hadn t spoken at all in several years Her mother s death sent Brown on a journey of exploration one that considered guilt and trauma rage and betrayal and forgiveness Shadow Daughter tackles a subject we rarely discuss as a culture Family estrangements between parents and children siblings multiple generations are surprisingly common and even families that aren t officially estranged often have some experience of deep conflicts Despite the fact that the issue touches most people one way or another

estrangement is still shrouded in secrecy stigma and shame We simply don't talk about it and that silence can make an already difficult situation even harder Brown tells her story with clear eyed honesty and hard won wisdom she also shared interviews with others who are estranged as well as the most recent research on this taboo topic Ultimately Shadow Daughter is a thoughtful provocative and deeply researched exploration of the ties that bind and break forgiveness reconciliation and what family really means
