Case Against Pacifism

William Steuart McBirnie

Case Against Pacifism:

The Case Against Pacifism John Lewis, 1940 *The Case Against Pacifism* William Steuart McBirnie, 1968 *Christ is No Pacifist* Dorothy Crisp, 1938 **Designed to Kill: The Case Against Weapons Research** John Forge, 2012-12-24 The pilotless drones, smart bombs and other high-tech weapons on display in recent conflicts are all the outcome of weapons research. However, the kind of scientific and technological endeavour has been around for a long time producing not only the armaments of Nazi Germany and the atomic bombs dropped on Japan but the catapults used in ancient Greece and Rome and the assault rifles used by child soldiers in Africa. In this book John Forge examines such weapons research and asks whether it is morally acceptable to undertake such an activity. He argues that it is in fact morally wrong to take part in weapons research as its primary purpose is to produce the means to harm others and moreover he argues that all attempts to then justify participation in weapons research do not stand up to scrutiny. This book has wide appeal in fields of philosophy and related areas as well to a more general audience who are puzzled about the rate at which new weapons are accumulated.

The Case Against Pacifism. A Sermon, Etc Henry Leighton Goudge, 1938 *Transformative Pacifism* Andrew Fiala, 2018-08-23 Defending pacifism against the charge that it is naively utopian. Transformative Pacifism offers a critical theory of the existing world order and points in the direction of concrete ethical and political action. Pacifism is a transformative philosophy with wide-ranging implications. It aims to transform political, social and psychological structures. Its focus is deep and wide. It is similar to other transformative social theories: feminism, ecology, animal welfare, cosmopolitanism, human rights theory. Indeed, behind those theories is often the pacifist idea that violence, power and domination are wrong. Pacifist theory raises consciousness about unjustifiable violence. This in turn leads to transformations in practical life. Many other books defend nonviolence and pacifism by focusing on failed justifications of war as well as on the strategic value of nonviolence. This book begins by reviewing and accepting those sort of arguments. It then focuses on what a commitment to pacifism and nonviolence means in terms of a variety of practical issues. Pacifists reject the violent presuppositions of a society based upon power, strength, nationalism and the system of militarized nation-states. Pacifism transforms psychological, social, political and economic life. This book will be of interest to those who are disenchanted with ongoing violence, violent rhetoric, terrorism, wars and the war industry. It gives anyone with pacifist sympathies reassurance: pacifists are not wrong to think that violence and war are immoral, irrational and insane and that there is always an alternative. **Disloyalty: the Blight of Pacifism** Harold Owen, 1918 *The Case Against Pacifism* H. L. Goudge (The Rev.), 1938* *The Case Against Pacifism* John LEWIS (D.Sc., Ph.D.), 1940 *The Cambridge Companion to C. S. Lewis* Robert MacSwain, Michael Ward, 2010-09-09 A distinguished academic, influential Christian apologist and best-selling author of children's literature, C. S. Lewis is a controversial and enigmatic figure who continues to fascinate fifty years after his death. This Companion is a comprehensive single-volume study written by an international team of scholars to survey Lewis's career as a literary

historian popular theologian and creative writer Twenty one expert voices from the University of Oxford the University of Cambridge Princeton University and Wheaton College among many other places of learning analyze Lewis s work from theological philosophical and literary perspectives Some chapters consider his professional contribution to fields such as critical theory and intellectual history while others assess his views on issues including moral knowledge gender prayer war love suffering and Scripture The final chapters investigate his work as a writer of fiction and poetry Original in its approach and unique in its scope this Companion shows that C S Lewis was much more than merely the man behind Narnia

Modern Just War Theory Michael P. Farrell,2013-06-20 Contributions to Illuminations A Scarecrow Press Series of Guides to Research in Religion provide students and scholars lay readers and clergy with a road map to research in key areas of religious study All commonly constructed with introductions to the topic and reviews of key thinkers concepts and events each volume includes surveys of the primary and secondary sources with critical evaluations of their places in the canon of thought and research on the topic Focusing primarily on the knowledge required by today s students and scholars each guide is a must have for any student of religion The twentieth century saw an explosion of wars and an accompanying explosion of literature on the morality of war Thinking among Christian clerics and scholars on the idea of just war shifted with developments on the battlefield Alternatives to just war theory such as pacifism and realism found new proponents in the published work of the neo Anabaptists and Niebhurians Meanwhile proponents of Christian just war theory had to address challenges from competing ideologies as well as ththose presented by the changing nature of warfare **Modern Just War Theory A Guide to Research** by scholar and librarian Michael Farrell serves as a manual for students and scholars studying Christian just war theory helping them navigate the wealth of just war literature produced in the twentieth and twenty first centuries Farrell s guide provides an introduction to the major developments of just war theory in the twentieth century including sections on how to research just war theory an overview of some of the most important theorists and developments of the twentieth century and discussions of key search terms and related topics Farrell then surveys and evaluates key primary and secondary sources for researchers on just war theory as well as related sources on Christian realism and the responses of just war theorists to proponents of pacifism and secular just war theories **Modern Just War Theory** will appeal to students and scholars of theology military history international law and Christian ethics

War and the American Difference Stanley Hauerwas,2011-10-01 How are American identity and America s presence in the world shaped by war and what does God have to do with it Esteemed theologian Stanley Hauerwas helps readers reflect theologically on war church justice and nonviolence in this compelling volume exploring issues such as how America depends on war for its identity how war affects the soul of a nation the sacrifices that war entails and why war is considered necessary especially in America He also examines the views of nonviolence held by Martin Luther King Jr and C S Lewis how Jesus constitutes the justice of God and the relationship between congregational ministry and Christian formation in America **Absolute**

Pacifism Douglas J. J. Owen,1941 **Pacifism, Revolution and Community** Alexander Miller,1940 Bibliography of Books on War, Pacifism, Nonviolence and Related Studies William Robert Miller,1960 **Not Peace But a Sword** Robert M. Price,2025-12 **The Pacifist Conscience** Peter Mayer,1966 **The Case Against Pacifism** John Lewis,1973
 Twentieth-century Pacifism Peter Brock,1970 *A Brief Outline of the Nature and Aims of Pacifism* Alfred Hermann Fried,1915
