Death and Deja Brew Aubrey Elle, 2023-06-04. Two months into her position as Assistant Principal, Paul's secretary Naomi Front enjoys the feeling of finally having a solid job and a new life away from her ex. Ella, her teen, has a best friend and is finding her place. Their neighbors, Barbara and Ingrid, have adopted them as family. Life should be good, but work is not. Dealing with faculty bickering and irate parents nit-picking, Naomi wonders if she wants to keep this job. Add in the fact the school is preparing for yet another levy, and financial headaches are thrown into the mix. When Naomi is sent to the archives in the basement, she finds the body of Tom Werner. All around her, quick to temper, the baseball coach doesn't seem like a person anyone in Fayette will miss. The school is closed until Chief Mooney can solve the case. Unlike the last time Naomi found a corpse, she's asked to help with this mystery. As someone who works the front office, she's an insider this time. Being included doesn't mean it's easier. With a runaway witness and foiled evidence, it seems impossible to figure out who killed Tom. Ella, Barbara, and Ingrid join forces to sleuth their way through this whodunit, racing against time so classes can be resumed. Despite their team effort, they wonder if they'll find the killer or lose more time down dead ends of old drama that
