Cmon Lets Play:

C'Mon, Let's Play! Dee G. Suberla,2020-12-08 Dee confesses to us that she has numb spots in her brain that have always played a key role in her life even to this day She shares her approach to making some life changing choices on how she became a hippie in the late 60s and early 70s to her decision to retire early from her corporate job and how she moved through breast cancer After recovery all she could think about was that song Is That All There Is Dee finally took action and discovered a massive amount of existing information on how to achieve your dreams and find peace in this wild ride called life Her use of self deprecating humor combined with the fact that she was born to play helps the reader try some of these methods to change their lives It takes work to make a real change but it doesn't have to feel like work so C mon Let s Play
