**P. R. I. D. E.** Nick Metrokotsas, 2021-10-16. This book is a work of great significance because of the character building program it puts forth. Coach Metrokotsas has promoted his character building program for 54 years, a program he calls P R I D E, which is an acronym for 5 words: P for Perseverance, R for Respect, I for Integrity, D for Desire, and E for Enthusiasm. He drives these fundamental virtues home just as hard and as often as he drives home the fundamentals of blocking and tackling. Coach Metrokotsas teaches coaches and leaders to understand that they have a responsibility greater than teaching the fundamentals of their game or their business; they need to start with character building. *Coaching with P R I D E* is a step-by-step process that does not have to be used solely by coaches or in a sports arena. There's no reason why you can't build character in your sales force, your employees, or any other program outside of sports that has a goal to win or succeed. The starting point is to ask your team, your players, or your employees one direct question: *How Badly Do You Want To Win?* From the first day, you ask that question and your team members answer you that's when character building through the P R I D E Program can begin.
