[The Missing Ring](#) Keith Dunnivant,2007-08-21 Keith Dunnivant s *The Missing Ring* is more than a football book It is both a story of a changing era and of an extraordinary team on a championship quest Very few institutions in American sports can match the enduring excellence of the University of Alabama football program

Across a wide swath of the last century the tradition rich Crimson Tide has claimed twelve national championships captured twenty five conference titles finished thirty four times among the country s top ten and played in fifty three bowl games Especially dominant during the era of the legendary Paul Bear Bryant the larger than life figure who towered over the landscape like no man before or since Alabama entered the 1966 season with the chance to become the first college football team to win three consecutive national championships Every aspect of Bryant s grueling system was geared around competing for the big prize each and every year and in 1966 the idea of the threeppeat tantalized the players pushing them toward greatness Driven by Bryant s enthusiasm dedication and perseverance players were made to believe in their team and themselves Led by the electrifying force of quarterback Kenny Snake Stabler and one of the most punishing defenses in the storied annals of the Southeastern Conference the Crimson Tide cruised to a magical season finishing as the nation s only undefeated untied team But something happened on the way to the history books *The Missing Ring* is the story of the one that got away the one that haunts Alabama fans still and native Alabamian Keith Dunnivant takes readers deep inside the Crimson Tide program during a more innocent time before widespread telecasting before scholarship limitations before end zone dances Meticulously revealing the strategies tactics and personal dramas that bring the overachieving boys of 1966 to life Dunnivant s insightful anecdotally rich narrative shows how Bryant molded a diverse group of young men into a powerful force that overcame various obstacles to achieve perfection in an imperfect world Set against the backdrop of the civil rights movement the still escalating Vietnam War and a world and a sport teetering on the brink of change in a variety of ways *The Missing Ring* tells an important story about the collision between football and culture Ultimately it is this clash that produces the Crimson Tide s most implacable foe enabling the greatest injustice in college football history [Children's Book Review Index](#) Dana Ferguson,2004-09-03 The Childrens Book Review Index contains review citations to give your students and researchers access to reviewers comments and opinions on thousands of books periodicals books on tape and electronic media intended and or recommended for children through age 10 The volume makes it easy to find a review by authors name book title or illustrator and fully indexes more than 600 periodicals [Proverbs and Proverbial Sayings](#) ,195?
