Clockwork Thief Katherine Bogle, 2019-08-18. Thieves, Liars, Revenge. Accused of being a traitor to the Thieves Guild, Narra must travel to a darker place than she ever imagined to remove the stain from her name. Failure means losing the only thing that ever mattered to her: the Guild. After being betrayed by those she trusted most, Narra isn't ready to forgive. Her uncle is missing, trapped in the palace dungeons, and Narra will stop at nothing to free him. Even if that means leaving a trail of bodies in her wake. But when she is finally reunited with her family, she finds a price has been put on her head, and a deadly band of assassins are closing in fast. Can Narra stop the oppressive rule hungry to claim the land? Or will she be forced to watch the rise of a malicious empire? Set in a steampunk world on the cusp of civil war, the Clockwork Thief II collection includes three full-length novels: Empress of Annihilation, Harbinger of War, Goddess of Death. I love a strong kick, a heroine, and I love steampunk. Katherine Bogle put these two together in a perfect mix of adventure, fantastic characters, and superb world-making. Really fantastic fun. Amazon Top Contributor. Fantastic read, well-written with a great plot and characters. I was engrossed from start to finish. Fast-paced adventure and intrigue. I couldn't put this book down. 1 in Gaslamp Fantasy, 1 in LGBT Fantasy, 2 in Steampunk.
