Differences in the Media Portrayal of Michelle Obama and Melania Trump* Nathalia Rölli,2023-06-09 Seminar paper from the year 2020 in the subject American Studies Literature grade 1 7 University of Augsburg American Studies course First Ladies language English abstract This work will focus on the two latest First Ladies Michelle Obama and Melania Trump Not only do they give an overview of how republican and democrat First Ladies eventually are depicted differently but both first Ladies have a special connection to fashion The First Lady of the United States or FLOTUS is the President s wife s official title Her position is a job with no rules or descriptions but she must fulfill duties including attending events giving speeches supporting her husband and being the mother of a nation Unlike the President her job is not a paid one At first glance the First Lady paints an outdated picture of wives As the mother of a nation the First Lady is supposed to be a role model Therefore magazines and news do frequently discuss the image of the President and the First Lady Those articles often focus on the FLOTUS wardrobe which might signify the wife s perception as an ornament of her husband They discuss the wardrobe considering appropriateness and message FLOTUS studies study what kind of position the First Lady has but it also studies her position as a role model To what extent is the First Lady a celebrity a politician and a US citizen involving information about American culture politics and feminism Gossip magazines might at
