Different Drummer:

The beat of a different drummer Dominick Cuccia, 2004 Meredith Music Percussion This fantastic new addition to the rudimental literature for snare drum offers traditional style rudimental solos presented in not so traditional ways These solos are fun to play and are sure to challenge even the finest drummers Features jazz influenced rudimental solos each with flexible tempos inspired by legendary drummers plus a three page Rudimental Interpretation Chart Perfect for contests or competitions Composer Dom Cuccia is a former member of the West Point Band s revered field group The Hellcats *A Different Drummer* William Melvin Kelley, 1962 What happens when all the negroes in a southern state suddenly pack up and leave for the north *A Different Drummer* Herb Wasserman, 2000 A book about being a jazz and commercial musician in New York and the author s run ins with crooks cops drugs stars and sex If he were famous it would have no trouble selling a million copies However like the blurred picture he is a famous unknown an adventurous kid from Coney Island who managed to stumble into the world of music and make an original life for himself **Merchant Vessels of the United States**, 1989 *Merchant Vessels of the United States ... (including Yachts)*, 1979 *Merchant Vessels of the United States...* United States. Coast Guard, 1978 *Different Drummer* Eugene McKinney, *A Different Drummer* Dorothy Mills, 1930 *The Museum in America* Edward Porter Alexander, 1997 A detailed account of the colourful histories of 13 visionary museum innovators who transformed the 19th century collections of curios into institutions that inform and instruct *Different Drummer* Elvin (COP) Jones, 1992-01-01 One of the most innovative jazz drummers of our time Elvin has performed with legendary musicians including Miles Davis John Coltrane and Thelonius Monk This video is an excellent visual and aural study Also included is some smoking work with saxophonist Pat LaBarbara guitarist Ryo Kawasaki and bassist David Williams 30 min **Marching to a Different Drummer** Robin K. Berson, 1994-09-30 These 35 little known heroes and heroines of American history from across the ethnic spectrum have been virtually ignored in traditional history books Their inspiring biographical profiles reveal the struggle in the face of entrenched opposition for a just equitable and humane society They spoke for racial and social justice women s rights safe working conditions and freedom of conscience and religion More than half of the profiles are of women one fourth are of African Americans and Native Americans Asian Americans Latino and Chicano Americans are also represented Each profile integrates the individual life with a detailed explanation of the historical context and each entry provides excerpts from primary sources speeches writings and interviews and is followed by broad bibliographical references An alternative perspective on American history for students is offered in this work The 35 men and women profiled here all defied the social and moral conventions of their times frequently facing opposition and condemnation Their voices were often stilled muted or lost but their ethically grounded courage their clarity of vision and their willingness to stand up to injustice provide role models for Americans of all ages One third of these people cannot be found in standard biographical references and others have never before been the focus of biographical sketches Subject lists

The Politicizing Presidency Thomas J. Weko, 1995 From Truman to Clinton presidents have aggressively tried to expand their control over national government In the process they have vastly enlarged their White House staffs and politicized the federal bureaucracy with thousands of appointees in key administrative positions Thomas Weko argues that the Presidential Personnel Office PPO charged with screening and recommending such appointees both exemplifies and helps explain the enormous growth of presidential power since World War II Originally conceived as a small advisory group within the White House Office the PPO has grown enormously from a staff of two under Truman to as many as sixty under other presidents and now oversees nearly four thousand appointments per administration Weko charts the PPO s evolution and influence and shows how central it is to our understanding of modern presidential leadership Weko s starting point is Terry Moe s rational choice theory that it is the institution of the presidency not the sitting president that fosters centralization and politicization within the executive branch Amplifying and extending Moe s theory Weko persuasively links the PPO s explosive growth to the weakening of political parties the post Eisenhower disintegration of policy networks the growing impact of television news and the public s increasing readiness to hold the President accountable for policy failures The PPO s growth clearly has increased presidential control and bureaucratic responsiveness But Weko argues those results have had unanticipated and unwanted consequences that among other things have undermined the integrity and capabilities of administrative agencies Any improvement in the leadership of the executive branch he contends can only emerge from changes in the current institutional arrangement of the presidency itself Based on exhaustive research in White House files oral histories and memoirs and personal interviews with over 100 White House aides Weko s study provides a provocative new look at the White House Office and the modern presidency
