Turner, 2008-04-15 New Testament scholar and professor David L. Turner offers a substantive yet highly accessible commentary on Matthew in this latest addition to the BECNT series. With extensive research and thoughtful chapter-by-chapter exegesis, Turner leads readers through all aspects of the Gospel of Matthew: sociological, historical, and theological, to help them better understand and explain this key New Testament book. He also includes important insights into the Jewish background of this Gospel. As with all BECNT volumes, Matthew features the author's detailed interaction with the Greek text. This commentary admirably achieves the dual aims of the series: academic sophistication with pastoral sensitivity and accessibility, making it a useful tool for students, professors, and pastors. The user-friendly design includes shaded text, chapter introductions summarizing the key themes of each thought unit.

**The ABC's of Wisdom: Building Character with Solomon**, In the book of Proverbs King Solomon left us a treasure trove of practical principles for daily living. The ardent pursuit of wisdom is every Christian's calling. Wisdom is a tree of life to those who embrace her. Those who lay hold of her will be blessed. Proverbs 3:18. Ray Pritchard has arranged The ABC's of Wisdom into 100 short devotional readings with application questions for discussion. Though brief, these thoughts run deep and will spur you to grow in faith and love for God.

**Extreme Walking** Tom de Bruin, 2018-03-23 Treat yourself to a bold adventure through the Bible. You will start off in familiar territory but will soon find yourself exploring ancient texts from the time of Jesus and beyond. These new viewpoints will bring different answers than you may be used to hearing and reading. It will take courage to start such an extreme walk, but once you get out there, nothing can beat the view. Extreme Walking is an advanced course in Bible reading. Through a series of topics that will shed new light on well-known passages in the canon, the reader is taken on an enriching voyage of discovery where they will always remain just a step away from the safe, well-worn paths of understanding. Why does the Bible talk about heavens rather than heaven? What kind of Messiah were the Jews really expecting? Who is this Melchizedek guy? Extreme Walking will help you tackle these questions and more. *Motor Field*, 1911
