Digestive System Invisible World:

Digestive System (invisible World) , Lawrence Hall Dawson,2005-06-01 Through the years I have felt a deep bewilderment regarding humankind's varied interpretations of God's Word and or of those Spiritual teachings which have been attributed to the Messengers of God I took a monumental leap of Faith and went beyond the boundaries of organized religion I went to The Source Itself The Source of all TRUTH God my Creator It was only recently that I was privileged to be Given a Direct Line to TRUTH a new Revelation on how to Commune directly with God our Creator As an analogy God Served as the Master Storage Bank of all TRUTH my mind became as the Terminal Computer and the Modem was The Christ or my At ONement with God No longer need I be dependent upon the word of humankind through The Mediator The Christ I was now provided with an immediate untarnished Access to God's Word For those who do not believe that humankind today can have direct Access to God's Word may I suggest re-reading with an open mind these verses attributed to Jesus The Christ as written in the Holy Bible St John 14:12-14 Verily verily I say unto you He that believeth on me the works that I do shall he do also and greater works than these shall he do because I go unto my Father And whatsoever ye shall ask in my name that will I do that the Father may be glorified in the Son If ye shall ask any thing in my name I will do it Does humankind Truly Believe as Jesus The Christ did I and my Father are One It was through my TRUE Self The Christ Self during my Communion with God Mind that all quoted material of Return to TRUTH was Given to me in Answer to my questions my questions which were Seeking the TRUTH that will set humankind free Remember Understanding that which is NEW will need an openness of mind as that which is NEW tends to destroy that which is OLD Openness means willingness to entertain NEW ideas Amen
