Difficult Death:

Difficult Death, Dying and the Dead in Media and Culture Sharon Coleclough, Bethan Michael-Fox, Renske Visser, 2023-11-25 This book responds to a growing interest in death dying and the dead within and beyond the field of death studies The collection defines an understanding of difficult death and examines the differences between death dying and the dead as well as exploring the ethical challenges of researching death in mediated form The collection is attendant to the ways in which difficult deaths are imbricated in power structures both before and after they become mediated in culture As such the work navigates the many political and social complexities and inequalities what might be deemed the difficulties of death dying and the dead The book seeks to expand understandings of the difficulty of death in media and culture through a wide range of chapters from different contexts focused on literature film television and in online environments as well as several chapters examining news reportage of difficult deaths

Why Is It So Difficult to Die? Brian Nyatanga, 2000-12 This work offers a practical hands on approach to helping people deal with the traumatic events surrounding loss grief death and bereavement Real life examples are used to show how certain strategies can have a positive impact upon people experiencing grief Broad issues are examined such as breaking bad news the problem of collusion altered body image and dealing with sudden death The authors adopt a conversational style supported by theoretical underpinnings and the text should be of use to those caring for individuals during the complexities and challenges of the grief process

Treating Traumatic Loss Alyssa A Rheingold, Joah L. Williams, Megan M. Wallace, Jamison S. Bottomley, 2025-07-01 For therapists treating survivors of sudden violent or traumatic loss this evidence based professional manual provides a modular transdiagnostic approach Grief Recovery with Individualized Evidence Based Formulation GRIEF along with strategies to target common underlying symptoms of PTSD depression and prolonged grief disorder PGD With this book therapists will find proven effective interventions to improve treatment outcomes and help survivors move forward in their lives
