**Godonism** Theo Von Cezar, 2010-10-12 The story starts with friends Ahma and Jovian who like most humans have fallen on terrible luck There s nothing special about these two or humanity in general The dystopian grey world the men live in is held tightly in the grip of overpopulation People are subsisting and not much more The friends have nothing to look forward to until they happen to find the Church of All Nonbelievers What s the guiding principle of this somewhat sacrilegious institution As the book states GOD IS NOT INDEBTED TO THE UNIVERSE AND TIME WE ARE INDEBTED TO OUR GOD Enter a paranormal being who offers Ahma and Jovian the chance to rise above their meager existence The offer comes with a warning Should the two mess up the opportunity they ll bring their own ruination The story leads the friends down a winding path that is one half The Matrix and another half Heresy In the end the men find out their ties run deeper than ever thought the government s guiding hand in their lives more invasive and the lines between religion and science so completely blurred that both begin to look like futuristic psychology *The Signors of the Night* Max Pemberton, 1899 **The**

**American Irish** William V. Shannon, 1974 The Irish are now among the oldest and best integrated groups in our society The election of John F Kennedy to the presidency demonstrates how much they are taken for granted by other Americans This book puts forward an interpretation of the Irish based upon their history and culture not upon their race in any biological sense The Catholic religion has been a major component in the history and culture of the American Irish With minor exceptions this book discusses only the Catholic Irish Because I am interested only in those who thought of themselves as Irish and who are related to the Irish community in some meaningful way I have not tried in the name of racial imperialism to track down and annex to this story every person of remote Irish ancestry The main story of the Irish in America begins with the famine generation who began to come to this country after 1830 My principle in organizing this book has been to emphasize those activities in which the presence of the Irish has made a significant difference as against what might have occurred if no Irish had come to this country These fields are politics religion the theater literature and such specialized activities as prizefighting and law enforcement Preface *Vanity Fair*, 1930 **Dress & Vanity Fair**, 1966 **St. Nicholas**, 1912 **St. Nicholas** Mary Mapes Dodge, 1912 *The Rose and the Ring*, 1928 Centered around the royal
