A faint, light-colored diagram is visible in the background of the cover. It depicts a complex control system for a biotechnological process. The diagram includes several interconnected blocks and lines. On the left, there's a block labeled 'Control System'. This is connected to a central block labeled 'Process', which contains a circular element representing a reactor or fermenter. To the right of the process, there are several blocks representing different stages of data handling or control, including one labeled 'Data Interpretation'. The diagram uses various symbols like circles, rectangles, and lines to represent sensors, actuators, and control loops.
