C S Lewis And The Catholic Church:

C.S. Lewis and the Catholic Church Joseph Pearce, 2003 There are many Protestants and Catholics who have been deeply affected and spiritually changed by the writings of C S Lewis There are many converts to Catholicism some very well known who credit C S Lewis for playing a significant role in their conversion This includes famous converts and writers like Peter Kreeft Sheldon Vanauken Thomas Howard and Joseph Pearce But the ironic and perplexing fact is that Lewis himself while Catholic in many aspects of his faith and devotion never became a Roman Catholic Many have wondered why Joseph Pearce highly regarded literary biographer and great admirer of Lewis is the ideal writer to try to answer that question The relationship of Lewis to the Roman Catholic Church is an important and intriguing topic of interest to both Catholics and Protestants Pearce delves into all the issues questions and factors regarding this puzzling question He gives a broad and detailed analysis of the historical biographical theological and literary pieces of this puzzle His findings set forth the objective shape of Lewis s theological and spiritual works in their relation to the Catholic Church This well written book brings new insights into a great Christian writer and it should spark lively discussion among Lewis readers and bring about a better understanding of the spiritual beliefs of C S Lewis Book jacket *Lewis on Lewis* Vincent Lewis, 2000-10-17 This little book is literally a case for Lewis vs lewis I have met Vincent Lewis over the past five years on perhaps ten different occasions I have not read much of his writings but I have engaged in some public debate with him on the subject of truth and religion Despite my frank criticism of his approach which I deem too harsh and linear and sometimes even his doctrines Vincent has asked that I write a preface for this present book Who is C S Lewis The famous author of the charming Narnia series of fairy tales for children and of the science fiction trilogy above all he is the bestselling author of at least a dozen books which are claimed to be related in a deeply positive way to Christian Apologetics This Lewis graced the halls of Oxford and Cambridge Universities He was very well educated an excellent persuasive writer and to all appearances a convinced Christian not a Catholic to be sure but certainly one who ought to be numbered among the great allies of the Catholic Church because he so articulately explained and defended certain key beliefs of the Church above all the existence of God the Divinity of God the objectivity of truth and moral good and evil Is it possible that the world famous author has even half the faults moral and intellectual which are imputed to him Is he an agent conscious or not of Satan will the constant popularity of his many books help to send still more souls to Hell Should Catholics like me far from uncritically praising C S and mandating his books now join with Vincent in exposing the fraud the lies the diabolical seduction of man You will read this book for yourself and see why my positions are correct Call the author if you have any problems with what is written I can be reached at 845 226 4172

Second Friends Milton Walsh, 2010-12-01 C S Lewis and Ronald Knox were two of the most popular authors of Christian apologetics in the twentieth century and for many years they were neighbors in Oxford In *Second Friends* Milton Walsh delves into their writings and compares their views on a variety of compelling topics such as the existence of God the divinity

of Christ the problem of suffering miracles the way of Love the role of religion in society prayer and more They both bring to the conversation a passionate love of truth clarity of thought and a wonderful wit Lewis and Knox both experienced powerful conversions to the Christian faith an important aspect that Walsh covers in detail Both wrote about their conversion experiences because they wanted to explain to others why they took that life changing step They each valued logical thinking and they professed that the Christian faith should be embraced not only because it is good but because it is true Reason provides the intellectual foundation of belief for both authors For both these apologists Christianity is much more than a doctrinal system it is above all a personal relationship with Christ that entails romance struggle and loyalty A common adjective applied to Lewis and Knox as writers was imaginative They saw lack of imagination as a great hurdle to faith and they believed that imagination is a privileged path leading to a deeper apprehension of the truth Lewis and Knox while convinced that the Christian faith rested on sound reason and that it fulfilled the deepest human longings also knew that God is a mystery and so is the human heart In the face of these twin mysteries Milton Walsh shows that both men approached their evangelizing efforts in a spirit of humility as he explores how they appealed to the mind the heart and the imagination in presenting the Christian faith It is a great delight to see that Fr Milton Walsh has brought together the incomparable Knox and the indomitable Lewis in a way that enables us to understand both of them better Joseph Pearce Author C S Lewis and the Catholic Church This to quote C S Lewis is the most noble and joyous book I ve read these ten years This book has led me deeper into Lewis s own writings than any I ve read Walter Hooper C S Lewis former secretary and biographer

A Philosophical Walking Tour with C. S. Lewis Stewart Goetz, 2015-01-01 Although it has been almost seventy years since Time declared C S Lewis one of the world s most influential spokespersons for Christianity and fifty years since Lewis s death his influence remains just as great if not greater today While much has been written on Lewis and his work virtually nothing has been written from a philosophical perspective on his views of happiness pleasure pain and the soul and body As a result no one so far has recognized that his views on these matters are deeply interesting and controversial and perhaps more jarring no one has yet adequately explained why Lewis never became a Roman Catholic Stewart Goetz s careful investigation of Lewis s philosophical thought reveals oft overlooked implications and demonstrates that it was at its root at odds with that of Thomas Aquinas and thereby the Roman Catholic Church

More Christianity Dwight Longenecker, 2010 No one would dare to suggest that C S Lewis s Mere Christianity is anything less than a brilliant explanation and defense of the Faith But as robust wise and ardent as it is still it is incomplete It begins our banquet at the table of the Lord but doesn t take us all the way to the final course That is what Dwight Longenecker s new book More Christianity does It fills our plates with the fullness of the Christian Faith found only in the Catholic Church Lest someone think Longenecker is presuming to piggyback or cash in on Lewis work or to set himself up as Lewis successor that is not the case What he does and does brilliantly is present the doctrine of the Church with succinct explanations of topics that arise in Catholic Protestant discussion the

Marian dogmas the papacy the Mass purgatory the communion of saints the rosary and more In Longenecker's skilled hands More Christianity rounds out the meal so deliciously served up by Lewis in Mere Christianity **C. S. Lewis and the Christian Worldview** Michael L. Peterson, 2020 C. S. Lewis is one of the most influential and beloved Christian writers of the past century and interest in him continues to grow as books about his fantasy fiction and biography continue to appear Although Lewis's personal journey was a deeply philosophical search for the most adequate worldview the few extant books about his Christian philosophy focus on specific topics rather than his overall worldview In this book Michael Peterson develops a comprehensive framework for understanding Lewis's Christian worldview from his arguments from reason morality and desire to his ideas about Incarnation Trinity and Atonement All worldviews address fundamental questions about reality knowledge human nature meaning and so forth Peterson therefore examines Lewis's Christian approach to these same questions in interaction with other worldviews Accenting that the intellectual strength and existential relevance of Lewis's works rest on his philosophical acumen as well as his Christian orthodoxy which he famously called mere Christianity Peterson skillfully shows how Lewis's Christian thought engages a variety of important problems raised by believers and nonbelievers alike the problem of evil and suffering the problem of religious diversity the problem of meaning and others Just as Lewis was gifted in communicating philosophical ideas and arguments in an accessible style Peterson has crafted a major contribution to Lewis scholarship presented in a way that will interest scholars and benefit the general reader **ScrewTape Teaches the Faith** Marlon De La Torre, 2010 Discover the power of the Catechism like never before with ScrewTape If you enjoyed C. S. Lewis ScrewTape Letters but need a guide book of defense strategies based in solid Church teaching this is it De La Torre breaks down Lewis perennial classic chapter by chapter identifying the devil's specific temptation in each Then he provides you with solid references and explanations from the Catechism of the Catholic Church which highlight the opposite virtue truth or good Despite his best or worst intentions the devil cannot help throwing into glorious relief all the beauty and richness of the Faith His temptations are the shadows which highlight the Truth all the more De La Torre gives you exactly the right Catechism teachings to use as effective weapons against ScrewTape's whispered lies Individuals catechists teachers and parents will delight in the clear presentation of truths which are sure to squash the temptation to do evil whenever and wherever found C.S. C.S. Lewis--On the Christ of a Religious Economy, 3.2 P. H. Brazier, 2014-01-16 C. S. Lewis On the Christ of a Religious Economy II Knowing Salvation opens with a discussion of the Anscombe Lewis debate the theological issues relating to revelation and reason Christ the Logos This leads into Lewis on the Church the body of Christ and his understanding of religion how is salvation enacted through the churches how do we know we are saved This concludes with for Lewis the question of suffering and atonement substitution and election deliverance and redemption heaven hell resurrection and eternity Christ's work of salvation on the cross What did Lewis say of humanity in relation to God now

Immanuel God with us incarnate crucified resurrected and ascended for humanity What of Lewis s own death and that of his wife What does this tell us about the triune God of Love who is Love This volume forms the second part of the third book in a series of studies on the theology of C S Lewis titled C S Lewis Revelation and the Christ The books are written for academics and students but also crucially for those people ordinary Christians without a theology degree who enjoy and gain sustenance from reading Lewis s work

Remembering C.S. Lewis James Como,2009-12-04 In this intimate candid and sometimes surprising community biography of the celebrated author and Christian apologist twenty four men and women who knew C S Lewis as teacher colleague friend offer their reminiscences and impressions of the complex man behind the critical and academic acclaim Through their recollections we see Jack Lewis dazzling Oxford as he takes on atheists materialists and a host of other challengers Most poignantly we see him in everyday settings striding up and down the platform at a railroad station presiding over leisurely dinners with students expounding on the virtues of the pub The net effect of this collection said the Catholic Review is to make us feel that we know Lewis as well as his friends And to quote the New Yorker The heterogeneity of the contributors assures a variety of Lewises but certain traits appear in all these accounts intelligence imagination gusto a sense of fun and most frequently magnanimity An unexpected delight Washington Post A grand banquet of personal insights San Diego Union An invaluable indeed an indispensable addition to the burgeoning sphere of Lewis scholarship Joseph Pearce Author C S Lewis and the Catholic Church

Mere Catholicism Daniel Agatino,2018-12-08 From the Author C S Lewis Mere Christianity is the obvious inspiration for the title of this book In that book Lewis uses the example of a person standing in a hall that is lined on both sides by rooms Each room represents a different Christian tradition He wanted to get readers into the hallway and let them choose for themselves whether to enter Christianity by the door of Anglicanism Catholicism and so forth Mere Christianity brilliantly focuses on what essentially all Christians agree upon namely the Creed the canon of the New Testament etc However many of the great controversies between Protestants and Catholics are purposely not discussed There were ecumenical reasons for avoiding topics like papal primacy purgatory Marian devotions and so forth But by avoiding these sorts of topics Mere Christianity can be read as Mere Protestantism I wrote Mere Catholicism to address some of those missing topics Even though I am both intellectually and emotionally convinced of the truth of Catholic Christianity I am indebted to C S Lewis an Anglican for helping me better understand how Christianity offers the most compelling raison d tre His work and I hope my own is an exploration of faith seeking understanding to quote St Anselm of Canterbury Contents PrefaceIntroduction Christianity in the Third Millennium1 Faith and Reason2 Freedom and Responsibility3 Work and Prayer4 Sin and Salvation Hamartiology and Soteriology 5 Suffering and Love6 God Theology 7 Jesus Christology 8 Mary Mariology 9 Saints and Angels Hagiology and Angelology 10 The Church Ecclesiology 11 The Bible Bibliology 12 Humankind Creation and

Rediscovering Lewis Ian S. Markham, Andrew Lazo, 2025-10-22 This timely collection of essays is an invitation to listen afresh to C S Lewis America s much loved theologian especially among evangelicals and Roman Catholics is being reclaimed as an Anglican who can shape the theology of the mainline A textured integrated and nuanced Lewis emerges from these essays with a focus on symbol poetry conversion friendship atonement and suffering Contributors come from a diversity of backgrounds and perspectives from Pakistan to England from evangelical to Catholic and from theologically conservative to progressive Often reduced to a popular apologist or author of children s stories this book makes the case that we are in the presence of an Anglican theologian with stature It is a pioneering text which will set an agenda for Lewis studies for decades to come *The Catholic World Report*, 2006

Screwtape Teaches the Faith Marlon De La Torre, 2011-08 If you enjoyed C S Lewis Screwtape Letters but need a guide book of defense strategies based in solid Church teaching this is it De La Torre breaks down Lewis perennial classic chapter by chapter identifying the devil s specific temptation in each Then he provides you with solid references and explanations from the Catechism of the Catholic Church which highlight the opposite virtue truth or good Despite his best or worst intentions the devil cannot help throwing into glorious relief all the beauty and richness of the Faith His temptations are the shadows which highlight the Truth all the more

C.S. Lewis and the Church Judith Wolfe, Brendan N. Wolfe, 2011-01-20 C S Lewis himself a layperson in the Church of England has exercised an unprecedentedly wide influence on the faithful of Anglican Roman Catholic Evangelical and other churches all of whom tend naturally to claim him as one of their own One of the reasons for this diverse appropriation is the elusiveness of the church in the sense both of his own denomination and of the wider subject of ecclesiology in Lewis writings The essays contained in this volume critically examine the place character and role of the Church in Lewis life The result is a detailed and scintillating picture of the interactions of one of the most distinctive voices in 20th century theology with the

contemporaneous development of the Church of England with key concepts in ecclesiology and with interdenominational matters [The Catholic Periodical and Literature Index](#) ,2008 **Explorations in Twentieth-century Theology and Philosophy** Ann Loades,2023-04-11 Ann Loades has been instrumental in bringing forward for the attention of readers in later generations voices from the past notably highlighting the work of pioneering women such as Evelyn Underhill and Dorothy L Sayers as well as advancing the study of better known Anglican forebears C S Lewis and Austin Farrer always with her own distinctive concerns A key interpreter of the Anglican tradition and with a keen eye to ensure the full recognition of women these studies by Ann Loades are essential reading in Anglican feminist and twentieth century theology **Fantasy Novels: Invitations to Hell** Creation Liberty Evangelism,Christopher J.E. C S Lewis And The Catholic Church Introduction

In today's digital age, the availability of C S Lewis And The Catholic Church books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of C S Lewis And The Catholic Church books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of C S Lewis And The Catholic Church books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing C S Lewis And The Catholic Church versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, C S Lewis And The Catholic Church books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing C S Lewis And The Catholic Church books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely

distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for C S Lewis And The Catholic Church books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, C S Lewis And The Catholic Church books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
