Cactus Soup:

Cactus Soup Eric A. Kimmel, 2004 During the Mexican Revolution when a troop of hungry soldiers comes to a town where all the food has been hidden they charm the townspeople into helping make a soup from water and a cactus thorn

The Coloniality of Animal Monstrous Othering in Children's Books, Films, and Toys Donna Varga, 2024-08-19 The Coloniality of Animal Monstrous Othering in Children's Books, Films, and Toys examines how the portrayal of animals as physically distorted, behaviorally depraved, and intellectually defective serves to justify their debasement, violation, and destruction in materials directed toward young consumers. The author argues that this animal monstrous Othering arises from the Eurocentric belief in humans' natural superiority over animals and the right to categorize animals in accordance with a scale of worthiness that parallels the subjugation of racialized persons. The chapters examine a variety of canonical figures like the dissolute wolf of Red Riding Hood stories and the disfigured titular character of the *Wonky Donkey* picture book alongside non-canonical animals including reprobate pigs, degenerate sharks, self-centered flamingos, and wicked piranhas. To counter this animal debasement, Varga juxtaposes these readings with an examination of materials that articulate harmonious animal-human interrelationships without dependence on styles of anthropomorphism that diminish animality.

The Incredibly Stupid Adventures of the Incredibly Stupid Stuper Man! Patrick C. F. Wise, 2011-08-03 In a quite possibly not so distant future, the universe is wreathed in utter chaos. An intergalactic tyrant by the name of King Brainiac, seeking the ultimate power contained within the mythical Gem of the Universe, attacks and destroys the peaceful planet Stupin, home to the Stupinians, a people who are really REALLY stupid. In a ginormous twist of fate, however, a young Stupinian and his dog escape from the destruction with the Gem in tow. Landing on the planet Earth, these new heroes, Stuper Man and Stuper Dog, dedicate themselves to defending the Gem from Brainiac and his evil forces. Little do they realize that there is much more to the story than they know: a sinister conspiracy, an ancient bloodline, and a dark power so fearsome that it could engulf the entire universe and still have enough room for dessert. The Dumbbell Duo may not have much of it, but through their trials, they prove that knowledge has been, is, and will always be the most powerful weapon that you can wield. The fate of the universe is in his hands. Feel pity for the universe.
