Insights 1 The first cage fight in the history of the Ultimate Fighting Championship occurred on November 12 1993 pitting karate against sumo There were no rules There were no rounds There were no weight classes There were no gloves There was no mercy There was also no ring 2 Gordeau s opponent Tuli entered the cage with a serene confidence that began to slip as the fight progressed Gordeau stunned him with a hard punch as he charged by and then stepped in and soccer kicked him in the mouth The fight lasted twenty seconds 3 I was a devoted if basically inept karate student in my early twenties I was also a lot like those UFC fans cheering for carnage I just had the good taste not to show it I watched the tapes because they were exciting 4 The story of Hamilton s duel with Burr is well known It was his first duel and he could not believe how close together they were standing They could almost duel by spitting
