Confessions Of An Ex Crossmaker:

Confessions of an Ex-Crossmaker E. K. Bailey, 2003 Ben Levi is a member of the distinguished tribe of Benjamin and as his trade he makes crosses During the 1st century A D in Palestine cross making was a thriving industry I made a good living in the business until that ill fated Friday when I was forced to face hideous consequences of my craftsmanship Even now sometimes the guilt like a tidal wave overwhelms me I am the man who made the cross upon which Jesus was cruelly crucified and later died From Confessions of an Ex Crossmaker Through the unique viewpoint and emotion of this fictional man we come to see how all of us at times by our indifference and our sins help to nail Jesus to the cross again and again And how by our commitment to Him and our attention to our faith we may join Ben Levi to become ex crossmakers

Confessions of an Ex-Crossmaker Wyatt Tee Walker, **Farther In and Deeper Down** E. K. Bailey, 2005-06-01
Grab a front row seat to God's heart This is a powerful story that highlights the journey of one of America's leading pastors as he courageously battles cancer three times Watch him as he puts on his spiritual boxing gloves Lovingly co written with his wife and daughter *The Preacher and the Prostitute* E. K. Bailey, 2004-09-01 In *The Preacher and the Prostitute* E K Bailey retells the story of Hosea in soliloquy like form Bailey has formed the story into a compelling message making it seem that Hosea is speaking directly to the reader With a plotline that rivals any racy soap opera today the book of Hosea is clearly applicable to our own immoral society Let the Legends Preach Jared E. Alcantara, 2021-04-01 *Let the Legends Preach* celebrates the past and current legends of black preaching through preserving the sermons that they preached at the Annual E K Bailey Expository Preaching Conference The twenty four preachers honored in this book received the Living Legend Award for Excellence in Preaching on account of ministries that impacted hundreds of thousands of people across the nation and around the world Not only does this book lift up preachers that are familiar to so many names belonging to the great cloud of witnesses in black preaching over the last fifty years but it also introduces a new generation of preachers to their powerful stories and homiletical wisdom Each chapter offers readers short biographical sketches on the life and ministry of the preachers that were honored followed by the sermon that they preached or the lecture that they delivered at the annual conference Preaching in Black & White E. K. Bailey, Warren W. Wiersbe, 2003 *Preaching in Black and White* is the first attempt to bring together a noted black preacher and white preacher to interact on the dynamics of pulpit ministry and what can be learned from each other The conversation between the two authors discusses the similarities and differences in styles of preaching in the two communities Jeff Herman's Guide to Book Publishers, Editors & Literary Agents Jeff Herman, 2003 A guide to the names and specialities of American and Canadian publishers editors and literary agents includes information on the acquisition process and on choosing literary agents The African American Pulpit, **The African American National Biography: Uggams-Zuber** Henry Louis Gates (Jr.), Evelyn Brooks Higginbotham, 2008 An 8 volume reference set containing over 4 000 entries written by distinguished scholars The African American National Biography is the

most significant and expansive compilation of black lives in print today **The Iowa Stethoscope** ,1960 **The Great Rock Discography** Martin Charles Strong,1994 *Misfit Faith* Jason J. Stellman,2017 Ex Presbyterian pastor turned Catholic convert conveys his feeling of being an outsider in today's Christian faith Confession All Eddie Trask,2020-09-14

Eddie Trask was a normal guy A nice normal guy A remarkable fa ade Many would say a Christian Then God confronted him This encounter began an excruciating journey that plunged Trask to the depths of his psyche The goal was often cloudy and contested but one thing was for sure God wanted to purge every cavity recess and chamber imaginable Trask's old self needed to die Teetering on the ecumenical line of Protestantism and Catholicism conversion and reversion and law vs grace Trask wandered in a maze of spiritual warfare often questioning his sanity motives and ability to persevere Along the way he consulted the teachings of Jesus Christ of Nazareth C S Lewis Saint Augustine of Hippo Martin Luther Saint Ignatius of Loyola and many others Then God confronted him again Confession All microscopically highlights two agonizing seemingly irrational years From scrupulosity and mortification of the flesh to thought captivity and chastity Trask exposes himself and his marriage pushing every chip to the center of the table hoping to inspire unconditional surrender to God's will PREFACE

Next to the journey itself compiling Confession All was the most difficult project I've ever tackled a sentiment which my wife Ashley shares Somehow however in spite of all the pain and heartache she became my best friend helper and editor The fact that she was willing to go back in time and revisit every last confession enemy attack trigger and thorn is extraordinary We agree there is only one reason to persevere through such torment the pursuit of God and His Kingdom After passing through such an unconventional trial of scrupulosity spiritual warfare and discerning God's will it is only fitting that I confess to you too You might as well know all of me The old me The confused me The dysfunctional me The fa ade me The exposed me And the new me Despite the apparent unhealthiness of it all I was constantly convicted of which routes I was supposed to follow or avoid regardless of how careless or idiotic it seemed I simply know to the best of my ability that God permitted the following story to play out I believe He allowed me to plumb such depths in order to comprehend the intricacies of men women marriage and the Protestant Reformation However only He knows the true purpose I do not desire to have husbands follow my lead and vomit on their spouses every sin they've ever committed I only desire to share my story and hopefully have bits and pieces resonate with others What anyone chooses to do with it is between them and the Holy Spirit No doubt writing this book was at times cathartic but it often served as an additional challenge forcing me to constantly stare at and critique my weaknesses As a result of my introspection journaled thoughts and attempts at writing a candid narrative without embellishment the book itself is probably too meticulous for some readers It is raw It is as real as I can tell it And in all its disordered and self absorbed glory it was my life The amount of detail is reflective of the mental torture Ashley and I endured during my scrupulous metamorphosis Consequently I will not run from it or conceal it Instead I feel called to cast light on it while inviting others to inspect me and my motives with a magnifying glass The often hazy and ludicrous journey is

nauseating and may be emotionally overwhelming for some but if you stick with me I assure you there is hope clarity and redemption on the other side The narrative is quite non linear and episodic appropriately mirroring my brain during such a journey If you get lost along the way I ve included a chronology As you dig into this book here s a simple reminder do not try this at home Confessions of an Unfaithful Heart Alison L. Tinsley,2008-09-28 I have a confession to make My story begins over twelve years ago I was a different woman then Like so many people I was unaware that much of my life revolved around searching for love and approval Yet you could say I had it all a husband two great kids a strong faith a fulfilling career and a lovely home So why did I feel so empty so lonely and so desperate to be loved At the time I didn t have any answers only an incredibly strong subconscious need to be valued and appreciated for who I was My marriage of eleven years had been a happy one but it had arrived at a place where many marriages visit a place called familiarity Movies like Pretty Women fuelled my fantasies I wanted my own Richard Gere to rescue me from the curse of monotony
