## **Confronting The Cults:**

**Confronting the Cults** Gordon Russell Lewis,1966-06 *The Christian Confronting the Cults* Southern Baptist Convention. Church Training Department,1979 **Confronting Popular Cults** M. Thomas Starkes,1972 *The Christian Confronting the Cults II* ,1987 This learning module investigates the religious teachings of The Way International the Baha i World Faith Hare Krishna Transcendental Meditation the New Age Movement and the Church of Scientology The religious doctrines of these groups are compared and contrasted with traditional Christian doctrine Methods of witnessing to members of these groups are discussed **Confronting: the Kingdom of Cults, Counterfeit Christianity, and Hategroups** Dr. John Thomas Wylie,2018-02-07 Characterizing a faction as a religious gathering which claims approval by Christ and the Bible yet dismisses or mutilates the Gospel Dr Wylie talks about an assortment of religions loathe gatherings and fake Christianity Recognizing cliques and detesting gatherings fake Christianity is the thing required for clergy and lay people who will stand up to individuals from such religions Inquiries in the content for every section make this a fundamental instrument for individual and gathering dialogues For the time will come when they will not endure sound doctrine but after their own lusts shall they heap to themselves teachers having itching ears and they shall turn away their ears from the truth and shall be turned unto fables **Confronting Cults, Old and New** M. Thomas Starkes,1984-01-01 Channeling Joel Bjorling,2019-06-19 Originally published in 1992 Channeling is a comprehensive bibliography on the subject of channeling The book defines channeling as any message received or conveyed from transcendent entities and covers material on the history of channeling those that have claimed to transcend death contact with UFOs and contemporary channeling groups The book acts as a research guide and seeks to outline the historical roots of channeling explaining its major teachings and considers its significance as a spiritual movement It provides sources from books booklets articles and ephemeral material and offers a comprehensive list of both primary and secondary materials related to channeling the bibliography takes the most diverse and useful sources of the time This volume although published almost 30 years ago still provides a unique and insightful collection for academics of religion in particular those researching spiritualism and the occult **Cults in the United States** Texas Tech University. Library,1982 **Cults and the Occult in the Age of Aquarius** Edmond C. Gruss,1974 **Dictionary of Cults, Sects, Religions, and the Occult** George A. Mather,Larry A. Nichols,1993 In a complete survey of cults sects and religions around the world Mather and Nichols provide definitions and brief descriptions that evaluate each group on the basis of the historic creeds of Christianity Included are Santeria Rastafarians Haitian Voodoo and more **Bearing False Witness?** Douglas E. Cowan,2003-05-30 From Hare Krishna to the Latter Day Saints and from Jehovah s Witnesses to the New Age religious pluralism in North American presents evangelical Protestantism with significant challenges Declaring newer religious groups cults aberrant sects and heretical religions the Christian countercult movement has warned that these groups represent a threat to society In *Bearing False Witness* R Cowan considers the

Christian countercult as a whole locating it in sociological perspective as an entity distinct from the secular anti cult Through his analysis the author argues that the primary purpose of the countercult movement is to reinforce and repair the Christian worldview when it appears threatened by the advent of alternative religious traditions This unique analysis of the Christian countercult helps explain why conservative Christian responses to competing religious movements have taken the form that they have in addition to how those responses are carried out Unlike the anti cult movement which is concerned with removing individuals from cults and returning them to their families the Christian countercult movement according to the author attempts not only to remove cultists from the negative influences of the cults to which they belong but also to insure that they will join the particular version of Christianity adhered to by the countercultists themselves Beginning with the countercult s early history the author provides an historical account of the movement and its present activities Since the rise of new religious movements the growing interest in religions imported from outside North America and the broadening of the religious marketplace continues to grow understanding the Christian countercult and its presence as a countervailing pressure to these increasingly socioreligious dynamics becomes ever more important

**Apologetics, Mission and New Religious Movements: A Holistic Approach** Philip Johnson,2010-07-11 It is this search for balance and his real desire to speak into living situations that sets Johnson s work apart from earlier studies of cults and new religions At the same time his work is innovative in other ways

**Advances in Archaeological Method and Theory** Michael B. Schiffer,2014-05-19 Selections for Students from Volumes 1 4

**Understanding the Iglesia Ni Cristo** Anne C. Harper,2017-08-23 Does the Iglesia ni Cristo really teach that their building will go up in the rapture Do they use coercive methods to make sure their members give at least a tithe of their income to the church Have confrontational methods of evangelism been effective in reaching them Is there a better way The answers to these and other questions may surprise you In this groundbreaking and meticulously researched new book evangelical scholar Dr Anne Harper who with her husband George is a Manila based missionary with Action International Ministries describes the history teachings growth and development of the Iglesia ni Cristo since its founding in 1914 and explains why this group has endured for the last 100 years and why it will not likely fade away Unlike other evangelical publications Dr Harper treats the Iglesia ni Cristo with respect and kindness while being careful not to agree with or endorse their teachings Thoroughly documented yet highly readable this book will go a long way to removing the false stereotypes that many born again Christians have of this group and challenges to rethink our attitudes towards them and respond in a biblical manner From the Forward

### **Confronting The Cults Introduction**

In today's digital age, the availability of *Confronting The Cults* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *Confronting The Cults* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *Confronting The Cults* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *Confronting The Cults* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *Confronting The Cults* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *Confronting The Cults* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *Confronting The Cults* books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Confronting The Cults books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Confronting The Cults books and manuals for download and embark on your journey of knowledge?
