Linda Rennie Forcey

Confronting War An Examination Of Humanitys Most Pressing Problem:

Confronting War Ronald J. Glossop,1994 This updated and revised through 1993 edition of an immensely successful textbook reflects upheavals in the global geopolitical climate and examines why countries continue to build war arsenals in a time of relative peace As an increasing number of countries gain nuclear capabilities and the number of intranational and regional conflicts grow it becomes apparent that the end of the Cold War did not end the threat of war Instructors considering this book for use in a course may request an examination copy here *Confronting War* Ronald J.

Glossop,2001-01-01 This immensely successful textbook reflects upheavals in the global geopolitical climate and examines why countries continue to build war arsenals in a time of relative peace As an increasing number of countries gain nuclear capabilities and the number of intranational and regional conflicts grow it becomes apparent that the end of the Cold War did not bring an end to the threat of war The book is broken into four parts Part One Introduction to the War Problem discusses the nature of the war problem the conceptual framework and the historical framework Part Two Causes of War talks about the cause of war group competition and group identification other views about causes of war and the value of war In Part Three The Contemporary Situation the reader will learn about ideological aspects national historical aspects military aspects institutional aspects and legal aspects of the contemporary situation Part Four Proposals for Solving the War Problem discusses reforming the attitudes of individuals reforming the internal operation of national governments reforming the policies of national governments and reforming the international system It also includes maps illustrations and charts which will be especially helpful to the reader **Confronting War** Ronald J. Glossop,2012-07-24 This immensely successful

textbook is broken into four parts Part One Introduction to the War Problem discusses the nature of the war problem the conceptual framework and the historical framework Part Two Causes of War talks about the cause of war group competition and group identification other views about causes of war and the value of war In Part Three The Contemporary Situation the reader will learn about ideological aspects national historical aspects military aspects institutional aspects and legal aspects of the contemporary situation Part Four Proposals for Solving the War Problem discusses reforming the attitudes of individuals reforming the internal operation of national governments reforming the policies of national governments and reforming the international system It also includes maps tables and charts which will be especially helpful to the reader Instructors considering this book for use in a course may request an examination copy here **On War and Morality**

Robert L. Holmes,2014-07-14 The threat to the survival of humankind posed by nuclear weapons has been a frightening and essential focus of public debate for the last four decades and must continue to be so if we are to avoid destroying ourselves and the natural world around us One unfortunate result of preoccupation with the nuclear threat however has been a new kind of respectability accorded to conventional war In this radical and cogent argument for pacifism Robert Holmes asserts that all war not just nuclear war has become morally impermissible in the modern world Addressing a wide audience of

informed and concerned readers he raises dramatic questions about the concepts of political realism and nuclear deterrence makes a number of persuasive suggestions for nonviolent alternatives to war and presents a rich panorama of thinking about war from St Augustine to Reinhold Niebuhr and Herman Kahn Holmes's positions are compellingly presented and will provoke discussion both among convinced pacifists and among those whom he calls militarists Militarists we realize after reading this book include the majority of us who live a friendly and peaceful personal life while supporting a system which if Holmes is correct guarantees war and risks eventual human extinction Originally published in 1989 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Moral Issues in Military Decision Making Anthony E. Hartle, 2004 Much has changed in warfare in recent years with America now dominant on the international scene and terrorism the new enemy In light of these changes the need for moral grounding in military actions is a more pressing concern than ever When it was originally published *Moral Issues in Military Decision Making* reflected the concerns posed by nuclear stalemate and the lessons of Vietnam In that highly praised work Anthony Hartle outlined the essential elements of the Professional Military Ethic created for American military forces In this new edition he reexamines the moral foundations for America's military leadership in the post 9/11 era Considering world affairs since the first edition the Gulf War Bosnia Afghanistan Iraq 9/11 and the emergence of the United States as an unrivaled military power Hartle explains how these events have raised ethical issues that differ dramatically from those of the Cold War by the war on terrorism homeland defense asymmetric warfare the proliferation of American military interventions and the UN's role in peacekeeping operations Using meticulously analyzed case studies twice as many as in the first edition he considers such moral dilemmas as torture challenging superior officers use of overwhelming force and responding to fire in the presence of civilian shields In this revision Hartle examines further the status of professional military ethics in light of current affairs changes in the articulation of military values and recent research In a new chapter on human rights he relates moral principles directly to values embedded in the Constitution and argues that overwhelming American military power cannot succeed unless it is accompanied by the moral force of the values it seeks to protect difficulties of applying conventional laws of war and human rights doctrine in military operations Hartle convincingly shows that national security is as much about the preservation of moral principles as it is about the protection of America's citizens and borders His book demonstrates that the American military must continue to observe those principles in order to be effective in its primary mission

Modern Just War Theory Michael P. Farrell, 2013-06-20 Contributions to Illuminations A Scarecrow Press Series of Guides to Research in Religion provide students and scholars lay readers and clergy with a road

map to research in key areas of religious study All commonly constructed with introductions to the topic and reviews of key thinkers concepts and events each volume includes surveys of the primary and secondary sources with critical evaluations of their places in the canon of thought and research on the topic Focusing primarily on the knowledge required by today s students and scholars each guide is a must have for any student of religion The twentieth century saw an explosion of wars and an accompanying explosion of literature on the morality of war Thinking among Christian clerics and scholars on the idea of just war shifted with developments on the battlefield Alternatives to just war theory such as pacifism and realism found new proponents in the published work of the neo Anabaptists and Niebhurians Meanwhile proponents of Christian just war theory had to address challenges from competing ideologies as well as ththose presented by the changing nature of warfare Modern Just War Theory A Guide to Research by scholar and librarian Michael Farrell serves as a manual for students and scholars studying Christian just war theory helping them navigate the wealth of just war literature produced in the twentieth and twenty first centuries Farrell s guide provides an introduction to the major developments of just war theory in the twentieth century including sections on how to research just war theory an overview of some of the most important theorists and developments of the twentieth century and discussions of key search terms and related topics Farrell then surveys and evaluates key primary and secondary sources for researchers on just war theory as well as related sources on Christian realism and the responses of just war theorists to proponents of pacifism and secular just war theories Modern Just War Theory will appeal to students and scholars of theology military history international law and Christian ethics

War and International Justice Brian Orend,2006-01-01 Can war ever be just By what right do we charge people with war crimes Can war itself be a crime What is a good peace treaty Since the Cold War ended in the early 1990s many wars have erupted inflaming such areas as the Persian Gulf Central Africa and Central Europe Brutalities committed during these conflicts have sparked new interest in the ethics of war and peace Brian Orend explores the ethics of war and peace from a Kantian perspective emphasizing human rights protection the rule of international law and a fully global concept of justice Contending that Kant s just war doctrine has not been given its due Orend displays Kant s theory to its fullest impressive effect He then completely and clearly updates Kant s perspective for application to our time Along the way he criticizes pacifism and realism explores the nature of human rights protection during wartime and defends a theory of just war He also looks ahead to future developments in global institutional reform using cases from the Persian Gulf War Somalia Bosnia and Rwanda to illustrate his argument Controversial and timely perhaps the most important contribution *War and International Justice* A Kantian Perspective makes is with regard to the question of justice after war Orend offers a principled theory of war termination making an urgent plea to reform current international law

Power Tom H. Hastings,2005-12-12 In *Power* Tom Hastings unpacks the methods and considers causes and correlatives to violence and nonviolence Hastings presents an overview of nonviolent power potential examining it on personal community and transnational levels He provides evidence of

theories and historical records of nonviolent power through personal stories and the annals of human kind Nonviolent alternatives are proposed and considered **Peacemaking** ,2021-10-25 Peacemaking includes a large array of activities from local to global attempts to attain peace It includes consideration of international interstate and intertribal conflict resolution communal personal and interpersonal social justice deterrence of the use of nuclear weapons design of international treaties that prevent war or other forms of international conflict disarmament international organizations that secure the order among nations and even from some points of view war As the 20th century drew to a close we have witnessed peacemakers trying to end ethnic cleansing reinstate justly elected political leaders and reach compromises in the ideological differences that perpetuate age old conflicts We also see peacemaking in our schools homes and workplaces Philosophers have long been interested in peacemaking in one form or another and philosophical accounts of peacemaking reflect the variety of perspectives methods and activities developed in pursuing peacemaking In some instances philosophers expand upon the situations activities and methods of the peacemaker in the field The essays in this volume propose some theoretical arguments for various aspects of peacemaking offer nonmilitary alternatives to war and discuss practical examples of peacemaking in daily life The contributors analyze power relations language social groupings and distribution of resources At times they draw insight from social and historical models of conflict and conflict resolution This collection of essays on peacemaking aims to enlighten contemporary social and political discussions and contribute to achieving the ever challenging goal of peace **Peace Research** ,1997 A monthly journal of original research on the problem of war

International Journal on World Peace ,1984 *Peace Research Reviews* ,1993 **Selected Briefs on Canadian Foreign and Defence Policy Review to the Joint Parliamentary Committee, Spring and Summer 1994** ,1994

Subject Guide to Books in Print ,1996 **Peace** Linda Rennie Forcey,1989-10-11 Linda Forcey writes in her introduction to this important new book that more than forty years have passed since Albert Einstein prophesied unparalleled catastrophe were we not to change our modes of thinking Learning how we should go about this is peace studies This book explores the meanings of peace including political approaches and strategies for better understanding and change from a wide range of ideological and philosophical perspectives The chapters by scholars of sociology history psychology political science and several interdisciplinary fields pose challenging philosophical ideological and pedagogical questions The contributors encourage active thought about the complex interrelationship of the personal and systemic dimensions of peace Ideal for interdisciplinary introductory peace study courses this volume stimulates thought about the peace process by examining individual behavior and responsibility as well as that of the political and social collective It challenges the reader into thinking deeply about peace by focusing on the complex interrelationship of its personal and structural dimensions Although the book is organized into three parts Meanings Politics and Strategies the themes presented necessarily overlap As is stated in the introduction the meanings we give to the process of peace the politics that govern the ways in which we

view the world and our place in it and the strategies for a better world we choose to pursue are so interrelated as to forestall neat compartmentalization

Incorporating Peace and Social Justice Into the Social Work Curriculum Dorothy Van Soest, 1992

Current Publications in Legal and Related Fields, 1994

Islamic Fundamentalism, Feminism, and Gender Inequality in Iran Under Khomeini Masoud Kazemzadeh, 2002-09-10

The rise of Islamic fundamentalist movements in the Islamic world and their obsession with women's roles has given rise to the question of the relationship between Islam and women's inferior position. There is little doubt that Iranian women have been one of the major losers of the 1979 Iranian revolution. Islamic fundamentalists in Iran created an extremely violent misogynist oppressive regime. Islamic fundamentalists in Afghanistan, Algeria, Egypt, and elsewhere have promoted misogynist ethos and policies. Is Islam as a religion against the equality of men and women? Is Islamism that is Islam as a political ideology against the equality of women? In this book utilizing the case of Iran under Khomeini, the author analyzes the relationship between Islam, Islamic fundamentalism, and gender inequality.

Communitarianism, Liberalism, and Social Responsibility Creighton Peden, Yeager Hudson, 1991

A discussion of the issues related to liberalism, communitarianism, and distributive justice among scholars in social philosophy. Topics include the foundations of moral theory, liberal morality in practice, liberalism in a Conservative society, and philosophy and community.

Confronting War An Examination Of Humanitys Most Pressing Problem Introduction

In the digital age, access to information has become easier than ever before. The ability to download Confronting War An Examination Of Humanitys Most Pressing Problem has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Confronting War An Examination Of Humanitys Most Pressing Problem has opened up a world of possibilities. Downloading Confronting War An Examination Of Humanitys Most Pressing Problem provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Confronting War An Examination Of Humanitys Most Pressing Problem has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Confronting War An Examination Of Humanitys Most Pressing Problem. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Confronting War An Examination Of Humanitys Most Pressing Problem. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Confronting War An Examination Of Humanitys Most Pressing Problem, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to

distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *Confronting War An Examination Of Humanitys Most Pressing Problem* has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
