Congratulations! You Just Lost Your Job, 2014 Written and compiled by LaSean Rinique Shelton CONGRATULATIONS YOU JUST LOST YOUR J O B brings together a group of dedicated entrepreneurs to prove that losing a

job can dramatically change anyone's life for the better. While most see a Job as the road to prosperity and security, the book's authors rightfully redefine the word as J O B Just Over Broke or Juggling Overdue Bills. Want to find out why? Read on! In this economy, many of those who are struggling would do anything for work. Equally, those who are employed view losing their jobs as a life-destroying dread. However, a group of self-titled, dedicated entrepreneurs have banded together in a powerful new book to make it clear that losing one's job can easily become their ticket and fast track to a better life. A trailblazing activist's passionate and incisive look at why she started a movement to ensure that 26 million Americans have access to the IDs they need to escape poverty and live healthy and productive lives. *American Identity in Crisis* weaves together three remarkable stories: the making of an activist in the wake of the 2016 presidential election, the fight against the onerous rules that are being used to keep vulnerable and targeted populations from participating in all facets of American life, from obtaining jobs and housing to going to the polls, and how we can solve a problem that impacts millions of American adults. Kat Calvin ties all of these threads together in profound ways. In *American Identity in Crisis*, she takes us on a cross-country tour as she and her team uncover one of the biggest secrets in America and learn how to solve it. We meet veterans, the unhoused, and senior citizens and learn the story of the fierce advocate who insists on recognizing their humanity and seeing them as souls who are resilient and striving for change. Told in a voice that is strong and vulnerable, funny and fearless, confident and self-deprecating, *American Identity in Crisis* is a defense of human dignity and everyone's right to have access to the pursuit of happiness. **Congratulations You Just Lost Your Job** Lasean Rinique, Nisha Ray, 2014-07-28.
