Congregations Their Power To Form And Transform:

Congregations Carl Ellis Nelson, 1988-01-01 C Ellis Nelson has collaborated with and collected the works of ten leaders experienced in congregational affairs to design and produce a resource that helps ministers and lay leaders understand the dynamics of congregations The result is an engaging collection that will help pastors and church leaders invigorate their congregations

Ritual Practices in Congregational Identity Formation Timothy D. Son, 2014-05-08 Ritual Practices in Congregational Identity Formation investigates the educational roles of ritual practices in the process of congregational identity formation Son identifies and analyzes various kinds of Christian rituals with respect to how rituals influence the formational processes of a congregation's identity Based on Victor Turner's ritual theory this book also investigates the pedagogical and transformative efficacies of ritual practices within the dynamics of congregational education

The Hidden Lives of Congregations Israel Galindo, 2004-11-30 Faced with crisis lack of direction or just plain stuckness many congregations and their leaders are content to deal only with surface issues and symptoms only to discover that the same problems keep recurring often in different and more serious ways In *The Hidden Lives of Congregations* Christian educator and consultant Israel Galindo takes leaders below the surface of congregational life to provide a comprehensive holistic look at the corporate nature of church relationships and the invisible dynamics at play Informed by family systems theory and grounded in a wide ranging ecclesiological understanding Galindo unpacks clearly the factors of congregational lifespan size spirituality and identity and shows how these work together to form the congregation's hidden life He provides useful tools for diagnosing and understanding how one's congregation fits into the various categories he names and suggests what leadership skills are necessary to get beyond the impasse of surface issues and help the congregation achieve its mission *The Hidden Lives of Congregations* provides one of the most far reaching looks into the invisible nature of faith communities written in recent years For seminaries and divinity schools it provides a standard text for getting a solid start in congregational practices for experienced pastors it provides support for renewing ministry for lay leaders and committees it offers insight to deepening mutual ministry Israel Galindo has written an indispensable manual that leaders will return to repeatedly for new wisdom and guidance
