Conjuring Up Philip Iris M. Owen, Margaret Sparrow, 1976 *Conjuring Up Philip* Iris M. Owen, Margaret Sparrow, 2000 **Conjuring Up Philip** John Robert Colombo, 1999 Mind over Magick Richard Kaczynski, 2025-10-07

Draws on peer reviewed research in psychology and cognitive neuroscience such as real time brain imaging to examine the effects of mystical states and magical practice Shows how being in the zone as described by athletes and performers is consistent with the ritualist s state of mind when working magic Suggests rituals and routines to strengthen one s practice of magic witchcraft meditation and yoga with empirically proven tools By looking through the lens of psychology cognitive neuroscience and real time brain imaging Mind over Magick shows how and why ritual magical practice can produce profound experiences with tangible benefits Richard Kaczynski draws on a wealth of peer reviewed research to shed new light on magic He uses psychological studies including the infamous Stanford Prison Experiment in which subjects role played as prisoners and guards to reveal the power of magical vestments and personas and the effects they have on ritual practitioners He shows how being in the zone as described by athletes and performers is consistent with the ritualist s state of mind when working magic He also reveals what neurological processes are involved when one encounters and works with spirits Mind over Magick includes empirically proven rituals to strengthen one s practice of magic witchcraft yoga and meditation Readers can then apply the scientific method to evaluate their own spiritual praxis and determine what works best for them For solitary practitioners and group participants alike the author shares what happens both on a psychological and neurological level when they enter sacred spaces and use ritual implements as well as enter deep meditative states He also details the importance of initiation as a rite of passage and transformative method of instruction By approaching the art of practicing magic as a science readers are encouraged to hone a more effective and empirically grounded practice

Radical Transformation Imants Barušs, 2021-01-28 In *Radical Transformation* Imants Baru s leads the reader out of the receding materialist paradigm into an emerging post materialist landscape in which new questions present themselves If consciousness has nonlocal properties then how are boundaries between events established If consciousness directly modulates physical manifestation then what is the scope of such modulation If consciousness continues after physical death then how much interference is there from non physical entities As we face the threat of extinction on this planet is there anything in recent consciousness research that can help us Are there effective means of self transformation that can be used to enter persistent transcendent states of consciousness that could resolve existential and global crises The author leads the reader through discussions of meaning radical transformation and subtle activism revealing the unexpected interplay of consciousness and reality along the way **Finding Magic** David Farren, 2001-02-28 David Farren was a college teacher who fell in love with a student claiming to be a witch Investigating her world earned him an international reputation as a writer on the occult Now he returns to share the private teaching he offered a new generation of Wiccan students through
