

A map of the state of Connecticut, colored in yellow. The word "CONNECTICUT" is written across the center in large, black, serif capital letters. A red square marks the location of Hartford. Other cities are marked with white circles and labeled: Salisbury, Winsted, Windsor Locks, Putnam, Cornwall, Torrington, Manchester, Bristol, New Britain, Middletown, Waterbury, Meriden, Norwich, Danbury, New Milford, New Haven, New London, West Haven, Bridgeport, Milford, Norwalk, and Stamford. The map also shows the Connecticut River, the Housatonic River, and the Long Island Sound. Neighboring states are labeled: "NEW YORK" to the west and "RHODE ISLAND" to the east. The word "ATLANTIC" is partially visible at the bottom right.

Excerpt from The History of Connecticut Vol 1 of 2 From the First Settlement of the Colony to the Adoption of the Present Constitution The task that I have undertaken is widely different The following pages are not a record of the doings of a mighty nation stretching over a continent but rather of a people humble in their beginnings unambitious in their aims content with the moral grandeur that alone attends the discharge of their duty and in silent unconsciousness building up a political structure more sublime in its beauty than the towered palaces of kings I have often been inquired of if I could find material for a history of so small a state My answer is that I have found quite too much and I have been more at a loss what I should be justified in leaving out than how I should find interest ing matter to insert I am much indebted to Dr Trumbull for going before me and gathering as he did whatever

the most untiring diligence could glean from records family papers oral communications and even traditions But Trumbull did not touch upon the American revolution that part of our history by far the most interesting to the people From the close of the last French war down to the adoption of our State Constitution I have been obliged to shape my course without any general guide but not without many local ones who have pointed out the way to me for a little distance and then smilingly committed me to the care of others About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
