Conquering The Spirit Of Offense:

Conquering the Spirit of Offense Oluwakemi A. Searcy, 2022-04-08 We have all been offended at one time or another During her many years in ministry Kemi Searcy has seen what offenses have done to people The offense can take a life of its own It is like a wild beast that needs conquering Kemi reaches beyond the superficial details of an offense and teaches how to subdue that beast She deals with what is behind the experience to deal with the spirit of offense Within these pages are ways to avoid empowering the spirit of offense and how to cut its life flow so that we can fulfill our destinies in God free of offense and its power Let this book give you hope that any offense that lingers in your life can be conquered Let the words on the pages help elevate your life both to see the offense with new eyes and create a new heart so that the goodness of God will overwhelm the evil that was meant to make you stumble **Conquering the Spirit of Offense** Carolyn Savelle, 1998

Processing and Moving On Carla A. Smith, 2015-01-08 We are God's Women Eliminating the Fear and Power of Offense Manage Each Offense Presentation o How well do you perceive o Offense is a teacher not a cliché Processing Processing Through Overcoming the Spirit of Offense o How will I know if I need deliverance from a spirit of offense Prayer against the spirit of offense o Over Sensitivity and Emotionalism is the Gift of Discernment Perverted and Untapped Conclusion Offenses will happen While we are living and breathing on God's green earth there are going to be offenses It's a part of life However do not fear Offenses are necessary for growth Just like food is necessary to live To live and grow successfully we must eat right exercise and get proper rest etc So that we may adequately stretch to our fullest potential It's the same for offense It's inevitable Offense comes to grow and develop us so that we may adequately stretch to our fullest potential and into a higher purpose for Kingdom Advancement So don't run from offense Understand why it came learn from it and overcome it We can't depend on people their support or lack thereof to make us happy No one was placed on this earth to make you happy Your happiness is your choice You have the power Life and death are in the power of your own tongue Prov 18 21 AMP Whatever you say that is what it will be If you say your life is nothing and insignificant that's what it will be If you say your life is blessed and valuable that's what it will be Sacrifice to get the job done To go where we have never been and have what we have never had we must be willing to sacrifice to get the job done That's why God predestined and selected you Because He knew that you would break forth and would not give up because of the power He put on the inside of you Spirit of offense One of the major things that has caused many of God's people to fall away from Him and to abort their purpose is the spirit of offense Offense is one of the major attacks Satan uses to destroy families churches businesses covenant relationships and nations The spirit of offense must be conquered for us to be all that God is calling us to be How well do you perceive Perception isn't always precise accurate definite strict clear or careful If we're not watchful perception may lead to deception Most people perceive and discern through their emotions their biases their backgrounds etc There is nothing spiritual about How we perceive is vital How we see may not be what we see Therefore how we move forward from that point can be

detrimental to everyone involved If we are unstable emotionally and have not been seeking God while building up our spirit man it can cause insensitivity to the leading of the Holy Spirit We could very well miss it and perceive wrongly Offense comes for a purpose We have to learn how to properly manage each offense presentation when it comes to us We must ask the right questions so that we can arrive at the right answer You don t give up on earning a living It s interesting when we get offended on our jobs by a leader one of our superiors a co worker or a client we stay on that job We may seek another position in a different department However we generally don t leave the Job Some may allow the experience to prompt them to take some classes to increase their value in the marketplace or move on and start a business Mobility to move is vital Move when it s time to move is vital You have to hear God s voice and move when He says MOVE Why is it so vital It s vital because you are carrying something that can only be nu

Overcoming the Spirit of Offense Anita McCall,2016-09-16 *Overcoming the Spirit of Offense* exposes how the spirit of offense has not only infiltrated the body of Christ but how it has damaged the bride and has kept her from fulfilling her destiny and purpose Because of the invisible wounds that she has suffered she walks without much power The book helps the reader to be able to see and recognize how the spirit operates and it teaches how to come in the opposite spirit called love in order to get free It is fully equipped with scripture for validation and real life situations and testimonies that help the reader with their own similar situations There are testimonies that not only inspire the reader but also challenge them A testimony of a young woman named Julia will leave the reader in awe of the Fathers heart and what He can do when we choose to love instead of being offended This teaching has been used to minister to hurting pastors and prophets drug addicts and broken women and when they choose to forgive the offender they are almost always completely healed both physically and emotionally It has been used to teach the unbeliever about the love of God the price that Jesus paid and how the enemy pottered them through offense This is a teaching that bears fruit

The Complete Works of C. H. Spurgeon, Volume 31 Spurgeon, Charles,2015-03-25 Volume 31 Sermons 1816 1876 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million

people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon
