Be ready to claim and celebrate the new hope we have in Jesus Christ. God Is With Us is based on the Revised Common Lectionary scriptures for church Year A, the first of a three-year cycle of Bible readings. The study includes commentary and reflection on readings from the Old Testament, the Epistles, and the Gospels. It offers the opportunity to explore these Bible readings in a five-session study.

**An Advent for the Cosmos** Jeffrey Pitts, 2020-11-25. Welcome to An Advent for The Cosmos. Advent means coming, referring to Jesus coming to earth as a baby to ultimately redeem us and the rest of His creation. Like a typical advent book, this book consists of 25 daily Bible studies that build on one another to help keep you focused on the reason for the Christmas season. What is different about this advent book is that it incorporates some of the Biblical content of Dr. Michael Heiser's work on the divine council, the original context of the Scriptures, and the bigger cast of characters in the Bible. My hope is that this Advent book will expand the scope of your reading of the Bible, show you the extent of rebellion and corruption of God's creation, and convey the need for restoration. It will also trace Jesus' intervention throughout the story and explore the interaction between the visible and invisible worlds. There are three ways the word Advent or coming applies today: Remembering that Jesus came 2,000 years ago to redeem His cosmos; Seeing His action through believers every day to demonstrate His kingdom; and Knowing that He is coming again as King to complete the restoration of His corrupted creation. This book consists of 25 daily Bible Studies that are meant to be read starting on December 1st and culminating on December 25th, Christmas. Each day consists of Bible memory, an Intro to the day's topic, Bible Reading, a Summary and Discussion, Questions, a Prayer, and a Song or Songs that correspond with the day's study. A majority of the advent memory verses will trace the story of Faith in Hebrews 11, with other key verses as needed. A smaller segment of the memory verse has been highlighted for younger children if they cannot memorize the entire verse. This is not just a kid's book but can be read as an individual, a couple, a family, a small group, or along with an entire church.

**The Expected One** Scott James, 2014-10-01. I enthusiastically recommend this book. David Platt: Every Christmas, Christians all over the world celebrate the Advent season, recognizing the love, hope, joy, and peace that is found only in Jesus Christ. Through this devotional, Scott James brings to light the many promises of Christ from birth to ascension that demonstrate His love for us during this Christmas season. These daily devotions, which are designed for both family and individual use, are timeless and moving reminders of the true gift of Christmas.

*Sourcebook for Sundays and Seasons*, 1998. Peter J. Scagnelli, Chuck Ludeke, 1997-09.

**Opening the Prayer Book** Jeffrey Lee, 1999-01-25. What Roger Ferlo did for the Bible in *Opening the Bible*, volume 2 of The New Church's Teaching Series, Jeffrey Lee now does for the prayer book in volume 7 of the series. *Opening the Prayer Book* introduces us to the history and liturgies of The Book of Common Prayer and helps us understand why the prayer book is such an important aspect of Anglican self-understanding. Lee begins with the fundamental question: What is common prayer? He explores some of the ways in which our worship

according to The Book of Common Prayer affects who we are as a church and the way it shapes our lives of faith In chapter 2 Lee turns to the development of patterns of liturgy from the time of Jesus to the Reformation tracing changes in the primary liturgies of baptism eucharist and daily prayer The American prayer book is the focus of chapter 3 from the earliest revisions in the new nation through the liturgical scholarship that led to the substantial theological and liturgical changes in the 1979 Book of Common Prayer Chapter 4 begins a survey of the pages of the prayer book itself Lee examines in particular the liturgies of Holy Week and Easter baptism and eucharist and the daily office with a view to understanding the way the parts of the services are rooted in the historical prayers of the church and at the same time reflect the living tradition of Christians today This theme is further developed in chapter 5 which focuses on the prayer book and our common life Here Lee discusses questions of how a common prayer book can be responsive to a growing variety of pastoral situations and diverse cultures in a fast changing world The final chapter addresses the future of the prayer book within the Anglican Communion in light of demands for further revision and for greater freedom to adapt the prayer book to local needs and beliefs As with each book in The New Church's Teaching Series recommended resources for further reading and questions for discussion are included
