Byron As A Detective:

The Model Town and the Detectives Allan Pinkerton, 1876 **The Model Town and The Detectives: Byron as a Detective** Allan Pinkerton, 2025-10-17 Reprint of the original first published in 1876 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Model Town and the Detectives** Allan Pinkerton, 1876 **Byron as a Detective** Allan Pinkerton, 2003-04-01 Allan Pinkerton 1819 1884 was the world's first private detective Immigrating to Chicago from Glasgow Scotland he discovered a gang of counterfeiters and assisted in their capture He became deputy sheriff of Kane County then Cook County resigning from the police to form the Pinkerton Detective Agency in 1852 The Pinkerton logo the All Seeing Eye inspired the phrase Private Eye The mental characteristics of Allan Pinkerton were judgment as to facts knowledge of men the ability to concentrate his faculties on one subject and the persistent power of will A mysterious problem of crime against which his life was devoted presented to his thought was solved almost in an instant and seemingly by his intuitions With half closed eyes he saw the scene in which the wrong was done read every movement of the criminals and reached invariably the correct conclusion as to their conduct and guilt

Among The Shadows Bruce Robert Coffin, 2024-02-27 A murder investigation drags a troubled cop into dangerous waters in this mystery series debut A first rate novel Suspenseful and highly entertaining Gayle Lynds New York Times bestselling author Fall in Portland Maine usually arrives as a welcome respite from summer's sweltering temperatures and with the tourists gone a return to normal life usually But when a retired cop is murdered things heat up quickly setting the city on edge Detective Sergeant John Byron a second generation cop is tasked with investigating the case at the very moment his life is unraveling On the outs with his department's upper echelon separated from his wife and feeling the strong pull of the bottle Byron remains all business as he tries to solve the murder of one of their own And when another ex Portland PD officer dies under suspicious circumstances he quickly realizes there's much more to these cases than meets the eye The closer Byron gets to the truth the greater the danger for him and his fellow detectives This taut atmospheric thriller will appeal to fans of Michael Connelly and John Sandford Bruce Robert Coffin knows cops how they talk how they act how they think and he deploys that knowledge to devastating effect in *Among the Shadows* A tense twisty tale of greed betrayal and revenge it heralds the arrival of a powerful new voice in crime fiction Chris Holm author of *The Killing Kind* The best debut I've read in ages filled with suspense great writing a perfectly realized setting and an intriguing main character Detective John Byron promises to become a breakout favorite among readers of crime fiction He's already one of mine Paul Doiron author of *Widowmaker* **The Model Town and the Detectives** Allan Pinkerton, 2019-08-02 This is a reproduction of the original artefact Generally these books are created from careful scans of the original This allows us to preserve the book accurately and present it in the way the author intended Since the original versions are generally quite old there may occasionally be

certain imperfections within these reproductions We re happy to make these classics available again for future generations to enjoy

Beneath the Depths Bruce Robert Coffin,2017-08-08 Terrific Smart and cinematic this entertaining page turner is so knowingly authentic only a genuine cop turned storyteller could have written it Hank Phillippi Ryan Agatha Anthony and Mary Higgins Clark award winning author of One Wrong Word When the body of prominent Portland attorney Paul Ramsey turns up in the bottom of Casco Bay following his loss of a multimillion dollar civil trial Byron knows it s no accidental drowning Golden boy Ramsey had a dark side and Detective Sergeant John Byron believes the key to solving his murder lies in uncovering those secrets someone wanted buried along with him With the brilliant Detective Diane Joyner by his side Byron takes on Ramsey s former employer the powerhouse law firm of Newman Branch DeWitt But delving further into the troubled waters of Ramsey s past only serves to lengthen the list of suspects unleashing a perfect storm of corruption betrayal and murder that only Byron can stop If he s not too late A great read Coffin knows police investigations from his days as a former detective for the Portland Police Department He also knows how to craft a tightly spun tale Portland Press Herald Beneath the Depths is one of the best police procedurals I ve read in years a road map of a city filled with good guys and bad guys drawn painstakingly by an author who knows these streets as only an ex cop can Gerry Boyle author of Straw Man When a lawyer who s already antagonized half the people in Maine winds up dead every pine tree in Portland seems chock full of suspects A sturdy starchy police procedural Kirkus Reviews

[Within Plain Sight](#) Bruce Robert Coffin,2020-02-04 A Portland detective and his team race to stop a serial killer before it s too late in this gripping entry in a bestselling mystery series Maine Sunday Telegram 1 Bestseller Winner of the Maine Literary Award for Best Crime Fiction Winner of the Killer Nashville Silver Falchion for Best Investigator These books are absolutely superb beautifully plotted I can t recommend them highly enough Douglas Preston 1 bestselling co author of the Pendergast series Amid the dog days of summer Detective Sergeant John Byron is called to the scene of a horrific crime a young woman s body dismembered and left in an abandoned Portland lumber yard The killing shares striking similarities with a spate of murders committed in Boston by a serial killer known only as the Horseman As Byron s team investigates the case they quickly push up against powerful forces in town But Byron will stop at nothing to find the truth not when there is a killer on the loose and everyone is a suspect Has the Horseman expanded his killing field Is this the work of an ingenious copycat or is nothing what it seems One thing is certain Byron must uncover the truth before the killer strikes again Within Plain Sight fires on all cylinders a page turning plot compelling characters outstanding dialogue and an immersive setting As usual Bruce Coffin delivers In spades Baron R Birtcher Los Angeles bestselling author of Rain Dogs and Hard Latitudes

[Beyond the Truth](#) Bruce Robert Coffin,2018-10-30 A police shooting puts the city on edge and a detective faces the biggest challenge of his career in this thrilling entry in a bestselling mystery series Maine Sunday Telegram 1 Bestseller Winner of the Silver Falchion Award for Best Procedural Agatha Award Nominee for Best Contemporary Novel Maine Literary Award Nominee for Best Crime Fiction
