Confucius Jade:

Confucius Jade Frederick Fisher, 1993 [A Mythological Approach to Exploring the Origins of Chinese Civilization](#)
Shuxian Ye, 2022-08-26 Is the lion the symbol of China Or should it be the dragon or the phoenix This book makes a provocative interpretation of the Chinese ancient totems such as the bear and the owl Taking a mythological approach it explores the origin of Chinese civilization using the quadruple evidence method which integrates ancient and unearthed literature oral transmission and archeological objects and graphs It testifies to the authenticity of unresolved ancient myths and legends from the origins of Chinese Jade Ware 6200BC 5400 BC to the names of the Yellow Emperor 2698 2598 BC and the legends from the Xia 2010BC 1600BC Shang 1600BC 046BC Zhou 1046BC 771BC and Qin 221BC 206BC Dynasties The book lays the foundation for a reconstruction of Chinese Mythistory With well over 200 photographs of historic artifacts the book appeals to both researchers and general readers

The Path of the Wealth God Guo Xiaochang, If there is any immortal in our cultural tradition who has been sincerely loved by the masses from ancient times to the present it must be the God of Wealth Therefore the top ranking auspicious saying during the Spring Festival is definitely May you be prosperous The beautiful aspiration for wealth has been written into the genes of our nation Based on this simple and healthy national sentiment our ancestors actively and optimistically created an immortal in charge of wealth the God of Wealth The God of Wealth governs fortune and presides over wealth and prosperity It is a benevolent god widely worshiped by the people and has always been highly respected and venerated The origin of the God of Wealth is rather complicated and there are various opinions because there is not just one God of Wealth but a group and each one has a different origin Among the numerous Gods of Wealth Fan Li Bi Gan Guan Yu and Zhao Gongming are the most popular and enjoy the most incense offerings Most of the Gods of Wealth worshiped in temples across the country are these four figures so they are the most famous and have the widest influence This book in the form of brief biographies clarifies for readers the life stories of the prototype figures of the Gods of Wealth as well as the origin and development of the God of Wealth culture It interprets the traditional cultural themes that we love to talk about from a historical perspective and guides readers to draw more spiritual sources of auspiciousness optimism and ceaseless struggle from the outstanding traditional culture of our nation

Early Chinese Jades Una Pope-Hennessy, 1923 [Martial Culture and Historical Martial Arts in Europe and Asia](#) Hing Chao, Daniel Jaquet, Loretta Kim, 2022-11-11 This open access book is the first publication to provide a comparative framework for the study of martial culture and historical martial arts in Europe and Asia in particular in Italy and China Due to the interdisciplinary nature of martial studies contributors to this volume include historians archeologists art historians scholars of fencing literature metallurgists as well as contemporary master swordsmiths and masters of arms in historical martial arts Assembling researchers from these diverse fields this book offers a multi perspectival and dynamic view of martial culture across time and space The cross cultural and interdisciplinary significance of this book cannot be overemphasized Whereas a

number of contributors are internationally recognized and indeed leading authorities in their respective fields for example Jeffrey Shaw has been a world leading new media artist and scholar since the 1970s while Ma Mingda is a well known historian and the contemporary founder of Chinese martial studies and while there are significant overlaps in their research interests this book brings their research within a single volume for the first time Equally significant the book is structured in such a way to reflect the various core aspects of martial studies particularly in relation to the study of historic sword culture including history culture philosophy literature and knowledge transmission material culture as well as the technical aspects of historical fencing As one of the first titles on martial studies this book becomes a reference not only for scholars taking an interest in this subject but also for historians scholars with interest in Chinese and or Italian history particularly of the Medieval or early modern periods the history of international relations in Asia Far East anthropologists scholars of martial arts studies and researchers in sword making and or historic metallurgy

The Spirit of Creativity Gottlieb Guntern,2012-07-10 The Spirit of Creativity is a systemic study of human creativity It offers a fascinating visual model of the creative process consisting of four major stages stage I the interplay of chaos and order stage II creative production stage III cultural selection stage IV morpho evolution and morpho elimination of created products and forms The author analyzes the seven phases germination inspiration preparation incubation illumination elaboration and evaluation of stage II leading from a vague hunch to a product meeting the criteria of creativity A vast number of examples taken from all continents and various cultures as well as from art technology and science and other fields of human endeavor illustrate how cultural recognition and rejection influence the creative processes of individuals and teams The author demonstrates the tremendous impact of the Mongol Empire the Silk Road and the medieval Muslim golden age on the origin of the European Renaissance
