Conquer of Darkness Kev Carter,2022-10-28 Every legend has to be born and every story needs a conclusion Ray Sibson is no different in this the last and final book in the series It concludes the saga for the warrior and beast The man who has fought the darkness all of his life is suddenly confronted with a battered face from the past The one person who he thought was invincible comes to warn him of an unbeatable danger that is descending towards him It is not something he can just stand and fight it is something that can and will destroy him A formidable force an entity of evil that has the power to control anything it desires Ray has to be convinced that he needs help Help from the last person he thought could be his ultimate saviour in this battle It is a personal journey back into his past back to the very beginning of his life This is nothing like what he has faced before and if he doesn't change doesn't adapt he will be damned to hell for eternity It is a race against time and climaxes into a frenzy of violence like never seen before He only has this one chance and this one opportunity to take that chance His fate hangs in the balance can he succeed this one last time or will the Darkness finally win and destroy him once and for all

Conquer the Darkness Alexandra Ivy,2019-12-10 As allegiances shift and new powers align for Alexandra Ivy's Guardians of Eternity one immortal defender knows the sweep of change brings danger and possibility On the edge of the Mojave desert out of the lights of Las Vegas even a werewolf can expect a share of peace and solitude For Ulric the last surviving member of a pack hunted through centuries it's one of few places he's willing to drop his guard Until he spots Brigette a beautiful wolf woman he thought dead long ago When he gives chase he loses her and discovers he's being followed himself His pursuer is a zephyr sprite Rainn on the trail of a frightening prophecy she can't predict or understand All she knows is that Ulric is at its center If he's determined to find Brigette she'll do what she must to keep him with her When the search leads them to a place where Ulric's ghosts and Rainn's portents intertwine a lurking evil waits to swallow them both But as they fight for survival their need for each other will become impossible to deny
