Joseph Padinjarekara

Don Richardson, the author of *Peace Child*, writes in the Foreword:

"... Not until I read this present monumental study by Dr. Joseph Padinjarekara did I learn that there are scores of Vedic foreshadowings of our Lord and many of them pre-date His advent by more than a millennium? How could this be?"

His work is perhaps the deepest probe that any Christian has yet made to find a worthy bedrock long buried under the strata of subsequent less amenable developments in Hinduism, such as idolatry, caste, temple prostitution, suttee, etc.

Perhaps thoughtful Hindus will find that Dr. Padinjarekara's ground breaking work will guide them back along their spokes to the Vedic hub of their wheel. If that happens, thoughtful Christians and those thoughtful Hindus may eventually discover to their mutual amazement that the Genesis 1 to 11 part of our hub and these crucial elements of the Vedic hub are joined by a common axle - a shared influence from that ancient patriarchal monotheism that pre-dated both Judeo-Christianity and Hinduism."

"This book, *Christ In Ancient Vedas*, is a milestone in the history of Cross-Cultural Evangelism. The author unveils before the reader the ancient glory of India. He introduces the mystic subject in very simple and lucid style."

—Professor T.C. Mathew

---

Joseph Padinjarekara studied Sanskrit at the University of Kerala and at the University of Toronto. The author's literary career began as a novelist in India. In 1973 he came to Canada. He is president of the International Mukti Mission.
