A Mother's Guide to Manhood Dalen Spratt, Gwen Spratt, 2011-01-14 The best teachers in life are those who have not only studied but truly experienced the message that they are trying to relay Whether it is religion sports or simple life lessons your words and actions must be genuine A wise man once said You can t teach what you don t know but if you do know why not spread the knowledge The words on these pages were written to inspire hope They are not only meant for the multitude of people that don t believe a woman can raise a son into a successful man without the immediate help of a father but as well as for the individuals who are proving that theory wrong every day There is hope Through faith strength dedication and prayer a former school teacher turned pastor was able to successfully raise her son into a respectable focused and driven man This story and its lessons highlight the ups and downs the smiles and frowns and the tears of joy and sorrow that are all a part of the tremendous journey that a mother and son embark on together through life s everlasting trials and tribulations

Walking in the Garden with God Lydia B. Miller, 2023-04-23 Our Walk with the Lord begins when we take our first step in faith by believing that Jesus is who he says he is Thereafter day after day we willingly take up our cross and attempt to follow in his footsteps finding out all too soon that The Way is not easy Some will not understand our belief in the invisible God They will consider us fools and secretly despise us for claiming to see what

they cannot While they may be blind to his presence we see God everywhere and in everything Ours is a life long spiritual journey which tests our strength courage faith and convictions While it may seem that we are walking alone we are not The Lord is always with us Look around my friends there are other Believers each walking at their own pace some far ahead while others trail behind Occasionally someone comes along who falls into step and walks the long road with us Know that they have been intentionally sent by God to pick us up when we stumble and fall get lost or become discouraged We need their uplifting prayers encouragement and testimonies of faith to remind us never to give up hope This book is about my walk with The Lord However I believe the sentiments expressed are not mine alone but universal to Christians everywhere It is my hope that the words God has given me will also minister to you as you walk your walk **Brick and Clay Record** ,1914
