All Things Beautiful:

All Things Beautiful Nikki Leonti Edgar, 2018-04-01 At age fifteen Nikki Leonti signed a record deal and had a successful Christian music career Three years later she became pregnant out of wedlock which caused many to turn away from her When she envisioned her future she didn't foresee her life falling apart Suddenly she was a single parent Many single parents feel alone ashamed hopeless confused or just plain tired tempted to give in to the negative voices that say it's impossible to fulfill the dreams of their youth From personal stories of overcoming to Scriptures that were her anchor during the most difficult moments Nikki shares transparently her journey of experiencing God's redeeming grace This book will help you Re-center your heart and mind towards what is good Navigate through the uncertainty that comes with single parenting Discover that your baggage can be the source of the greatest joy and restoration Get back on track to fulfill the incredible purpose God has for your life There is no perfect parent and being a single parent can make you feel even more imperfect If you've experienced the end of relationship divorce or loss of a spouse this book is a great source of encouragement for parenting solo There is not a past too messy that can keep God from transforming the most hopeless situation into a beautiful story

Aquinas on Beauty Christopher Scott

Sevier,2015-02-12 Aquinas on Beauty explores the nature and role of beauty in the thought of Thomas Aquinas Beginning with a standard definition of beauty provided by Aquinas it explores each of the components of that definition The result is a comprehensive account of Aquinas s formal view on the subject supplemented by an exploration into Aquinas s commentary on Dionysius s Divine Names including a comparison of his views with those of both Dionysius and those of Aquinas s mentor Albert the Great The book also highlights the tight connection in Aquinas s thought between aesthetics and ethics and illustrates how Aquinas preserves what is best about aesthetic traditions preceding him and anticipates what is best about aesthetic traditions that would follow marrying objective and subjective aesthetic intuitions and charting a kind of via media between the common extremes
