

American Political Parties

Marjorie R. Hershey

American Political Parties:

Party Politics in America Frank Joseph Sorauf, Paul Allen Beck, 1988 *American Political Parties* John Kenneth White, Matthew R. Kerbel, 2022-08-25 *American Political Parties* is a core textbook on political parties in the United States that places the US party system into a framework designed around the disagreements between Alexander Hamilton and Thomas Jefferson. White and Kerbel argue that the two party system in the United States began with a common agreement on the key values of freedom, individual rights, and equality of opportunity, but that Hamilton and Jefferson disagreed often vehemently over how to translate these ideals into an acceptable form of governance. This text develops a unique historical perspective of US party development using the disagreements between Alexander Hamilton and Thomas Jefferson as a framework for analysis. While Hamilton wanted to marry freedom to a strong active federal government with an energetic president who would act on behalf of all citizens, Jefferson believed that freedom should be allied to local civic virtue with governmental responsibilities placed primarily at the local level. Today Hamiltonian nationalism finds its home in the Democratic Party, while Republicans have espoused Jeffersonian localism since 1964. Using this historical framework, *American Political Parties* examines a range of topics including marketing and social media, campaign finance reforms in the presidential nominating process, political demography, and third parties. In this new edition, previously published as *Party On*, the authors describe four possible futures in the wake of the 2020 election and why Americans believed it was the most important election in their lifetimes. The unique history of US political parties, as set forth by the disagreements between Alexander Hamilton and Thomas Jefferson, is at an inflection point. Republicans have become an insurgent party, fully under the control of Donald Trump, while Democrats have an opportunity to create a new majority coalition. This juncture poses unique challenges to our democracy and constitutional framework, and the book describes four possible outcomes postulating where American political parties are headed in this decade.

American Political Parties Dean McSweeney, John Zvesper, 1991-01-01 **American Political Parties** Wilfred Ellsworth Binkley, 1962 *The American Party System* Charles Edward Merriam, Harold Foote Gosnell, 1929 **The Evolution of American Political Parties** Edgar Eugene Robinson, 1924 U.S. Political Parties Philip Wolny, 2018-07-15 Partisan politics and division between Americans of different political parties are constantly in the news. However, political division is not a new thing in the United States, and readers are introduced to the history of political parties as they explore how the early divisions between the Founding Fathers are still reflected in many ways today. The insightful main text and sidebars include annotated quotations to provide first person perspectives on the various political parties that have had an impact on American democracy. Primary sources and a detailed timeline provide additional information about this timely topic.

American Parties and Politics Harold Rozelle Bruce, 1932 **Political Parties Am** Samuel J. Eldersveld, 1982-10-05 In this comprehensive introduction to political parties, two of the country's foremost scholars combine the traditional PIE-PIG-PO approach with unique chapters on such

issues as race and campaign finance Throughout the book the authors argue strongly in favor of the continued relevance of parties in the American political system and provide strong evidence that parties have adapted to the changing American political scene

American Parties in Context Robert Harmel, Matthew Giebert, Kenneth Janda, 2016-04-14 Roughly sixty five years ago a group of political scientists operating as the Committee on Political Parties of the American Political Association thought long and hard about whether the American parties were adequately serving their democracy and made specific recommendations for improvements Comparing the parties of this country to those of Great Britain the Committee found the American parties to be lacking in such fundamentals as clear policy differences strong and effective organization and unity of purpose among each party's representatives in public offices Starting from that background this book is intended to significantly enhance students understanding of the American parties today by putting them in broader context How do the twenty first century Democrats and Republicans compare to the APSA Committee's responsible parties model of the mid twentieth And how do the American parties compare to parties of other democracies around the world including especially the British parties Harmel Giebert and Janda answer those questions and in the process demonstrate that the American parties have moved significantly in the direction of the responsible parties model but while showing little inclination for implementing the greater discipline the Committee thought essential Already having provided as much ideological choice as the British parties the US parties have now edged closer on the other critical requirement of legislative cohesion The authors show that the latter has resulted naturally from the greater homogenization of the meaning of Democrat and Republican across the country both within the electorate and now within Congress as well The dramatic increase in cohesion is not the product of greater party discipline but rather of sectoral realignments

A History of the U.S. Political System Richard A. Harris, Daniel J. Tichenor, 2009-12-23 This reference resource combines unique historical analysis scholarly essays and primary source documents to explore the evolution of ideas and institutions that have shaped American government and Americans political behavior One of the most active and revealing approaches to research into the American political system is one that focuses on political development an approach that combines the tools of the political scientist and the historian *A History of the U S Political System Ideas Interests and Institutions* is the first comprehensive resource that uses this approach to explore the evolution of the American political system from the adoption of the Constitution to the present *A History of the U S Political System* is a three volume collection of original essays and primary documents that examines the ideas institutions and policies that have shaped American government and politics throughout its history The first volume is issues oriented covering governmental and nongovernmental institutions as well as key policy areas The second volume examines America's political development historically surveying its dynamic government era by era Volume three is a collection of documentary materials that supplement and enhance the reader's experience with the other volumes

American Political Parties in the 21st Century Dave Blevins, 2006-05-16 Since the United States gained its independence

the American political landscape has been dominated by two major political parties first Whigs and Democrats and over the last century or so Democrats and Republicans In recent years however voter disenchantment with the major parties has led to the formation of numerous smaller parties Often addressing a particular concern such as the environment and operating on a local state or regional level these parties generally focus on affecting political decisions regarding specific topics of interest This book catalogs and describes more than 180 political parties that are active in the United States today Information has been gathered largely from the parties themselves via direct contact with representatives and from their websites From the Alaskan Independence Party to the Young Democratic Socialists entries contain the party name address telephone and fax numbers launch date and email and website addresses A review of the party s history and notable activities as well as an abbreviated summary of each party s platform is also provided Finally a listing of any affiliates and their contact information is also included where applicable

The Life of the Parties James Reichley,2000 Election year 2000 is an appropriate season to reprise the first major history of American political parties in nearly forty years In this classic work James Reichley traces the decline of political parties resulting in divided government and an ineffectual political process but he also shows us what it will take to restore the party system and how it could work to revitalize our democracy For the first time in paperback *The Life of the Parties* includes updates on third party movements political cycles and realignments campaign finance reform and other recent electoral trends Citizens disillusioned by years of political disarray will find much to reflect upon in Reichley s monumental analysis of the lessons of party history and our contemporary political predicament

Dynamics of American Political Parties Mark D. Brewer,Jeffrey M. Stonecash,2009-07-27 *Dynamics of American Political Parties* examines the process of gradual change that inexorably shapes and reshapes American politics Parties and the politicians that comprise them seek control of government in order to implement their visions of proper public policy To gain control parties need to win elections and winning elections requires assembling an electoral coalition that is larger than that crafted by the opposition Uncertainty rules and intra party conflict rages as different factions and groups within the parties debate the proper course s of action and battle it out for control of the party Parties can never be sure how their strategic maneuvers will play out and even when it appears that a certain strategy has been successful party leaders are unclear about how long apparent success will last Change unfolds slowly in fits and starts

American Political Parties Alan R. Gitelson,Mary Margaret Conway, Frank B. Feigert,1984 *American Political Parties* David H. Everson,1980

Guide to U.S. Political Parties Marjorie R. Hershey,2014-04-01 This one volume reference presents the major conceptual approaches to the study of U S political parties and the national party system describing the organization and behavior of U S political parties in thematic narrative chapters that help undergraduate students better understand party origins historical development and current operations Further it provides researchers with in depth analysis of important subtopics and connections to other aspects of politics Key Features Thematic narrative chapters organized into six major

parts provide the context as well as in depth analysis of the unique system of party politics in the United States Top analysts of party politics provide insightful chapters that explore how and why the U S parties have changed over time including major organizational transformations by the parties behavioral changes among candidates and party activists and attitudinal changes among their partisans in the electorate The authors discuss the way the traditional concept of formal party organizations gave way over time to a candidate centered model fueled in part by changes in campaign finance the rise of new communication technologies and fragmentation of the electorate This book is an ideal reference for students and researchers who want to develop a deeper understanding of the current challenges faced by citizens of republican government in the United States

stories for free on their websites. While this might not be the American Political Parties full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of American Political Parties eBooks, including some popular titles.

FAQs About American Political Parties Books

What is a American Political Parties PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a American Political Parties PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a American Political Parties PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a American Political Parties PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a American Political Parties PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
