**America's Competitive Edge** Richard Bolling, John Bowles, 1982 *Restoring America's Competitive Edge* United States. Congress. Senate. Committee on the Budget, 1987 *The Making of Détente* Keith L. Nelson, 2019-12-01 Originally published in 1995 In the early 1970s largely as a result of the debilitating struggle in Vietnam the United States began to reassess and redefine its basic approach to East West relations At the same time the Soviet Union was awakening to the liabilities that a continuing and unregulated state of hostility would impose on its own internal and external agenda Keith Nelson details the circumstances and traces the steps that led to the first significant accommodation and easing of tension between the superpowers during the Cold War In this important study Keith Nelson explains the detente period in an imaginative convincing and impressively scholarly manner Although there have been scores of books and memoirs on the subject none have done the job quite like Nelson's In particular he has used post glasnost Russian memoirs and monographs and especially his own interviews with such key players as Dobrynin and Arbatov to present one of the most intelligent Kremlinological studies I have ever seen Melvin Small Wayne State University *Staff*, 1981 **Five Years of the America Competes Act** United States. Congress. Senate. Committee on Commerce, Science, and Transportation, 2014

**Trade Wars Against America** William J. Gill, 1990 Unique in its breadth and scope this volume provides a comprehensive history of U S trade and monetary policy from colonial times to the present Gill examines the origins of the traditional protectionist policies that prevailed from the beginning of the Republic until 1913 and explores in detail America's experience with trade in the years from the end of World War I to the present day Case histories of the experience of several U S industries in attempting to get the government to implement trade laws are drawn from the author's extensive involvement as a trade consultant Gill asserts that U S economic might was built upon sound money and the overt protection of its industrial and economic base and that when protectionist policies have been abandoned as in the Wilson and Reagan years our economic position in the world has suffered He calls for an end to the free trade zeitgeist of the 1980s arguing instead for a renewed commitment to rational protection Trade Wars Against America is chronological in approach It begins by examining the protectionist policies of the early Republic the War of 1812 as the first trade war after the Republic's founding Andrew Jackson's struggle with the banking community over the conduct of trade and monetary policy and the rise of protectionism after the Civil War and its culmination in the McKinley presidency an era of unparalleled prosperity Gill goes on to discuss the assault on the protectionist system by Woodrow Wilson and Edward House the creation of the Federal Reserve Bank the Trade Act of 1934 and its role in the Depression and the supranational movement that culminated at Bretton Woods and resulted in the creation of the World Bank the International Monetary Fund and the GATT the Geneva based organization implementing the General Agreement on Tariff and Trade Finally Gill looks at the period since World War II concluding that trade wars are being waged against the United States primarily with the subsidies foreign governments give

their industries to increase exports Privately owned U S firms Gill asserts cannot effectively compete against government owned or subsidized industries abroad *Industrial Policy* United States. Congress. House. Committee on Banking, Finance, and Urban Affairs. Subcommittee on Economic Stabilization,1984 *Fleet Owner* ,1982 The Re-United States of America David A. Heenan,1983 Discussion of the steady state economy in the USA and the means for economic recovery looks at the challenges to USA competitiveness posed by Japan s and Germany Federal Republic s economic policy and management strategies foreign public enterprise and developing country multinational enterprises and industrial integration considers obstacles such as increased business regulation and lack of national consensus surveys attitudes esp Management attitudes to alternative economic systems and the level of state intervention Bibliography **Step by Step** Laby,Lorraine J.
