Last Call for the African-American Church Chester Williams, 2014-12-24 Last Call for the African American Church revisits the commandment Jesus left his followers to proclaim the gospel worldwide until his return one that by all accounts is no longer a priority in the contemporary African American church Despite the presence of euphoric praise and worship celebrations and the proliferation of diverse ministries it advertises as cutting edge the implosion of missions has occurred in this church s pulpits and pews Selected biblical foundations of missions are provided for those new to the parlance and for others needing a refresher course Along with conventional missions distinctions Chester Williams logs some concepts in the glossary he himself has constructed for readers and for collegial review They include the feminization of missions rummage sale missions missions without Jesus and window dressing missions For the most part these concepts represent a radical departure from apostolic missions and are viewed as biblical tinkering and convolution most importantly as obstructions to the Great Commission world harvesting America's Last Call David Wilkerson, 2000 A majority of Americans have concluded Morals do not count Let our leaders do as they please just give us a booming economy God is about to crush this abominable American mindset Soon the American dream will become the American nightmare Yet through it all those who know God can be assured of constant protection and provision from His hands **America's Last Great Newspaper War** Mike Jaccarino, 2020-03-03 NAMED A BEST BOOK OF THE WEEK BY THE NEW YORK POST ALSO AVAILABLE AS AN AUDIOBOOK A from the trenches view of New York Daily News and New York Post runners and photographers as they stop at nothing to break the story and squash their tabloid arch rivals When author Mike Jaccarino was offered a job at the Daily News in 2006 he was asked a single question Kid what are you going to do to help us beat the Post That was the year things went sideways at the News when the New York Post surpassed its nemesis in circulation for the first time in the history of both papers Tasked with one job crush the Post Jaccarino here provides the behind the scenes story of how the runners and shooters on both sides would do anything and everything to get the scoop before their opponents The New York Daily News and the New York Post have long been the Hatfields and McCoys of American media two warring tabloids in a town big enough for only one of them As digital news rendered print journalism obsolete the fight to survive in NYC became an epic Darwinian battle In America s Last Great Newspaper War Jaccarino exposes the untold story of this tabloid death match of such ferocity and obsession its like has not occurred since Pulitzer Hearst Told through the eyes of hungry runners field reporters and shooters photographers who would employ phony police lights to overcome traffic Mike Jaccarino s memoir unmasks the do whatever it takes era of reporting where the ends justified the means and nothing was off limits His no holds barred account describes sneaking into hospitals months long stakeouts infiltrating John Gotti s crypt bidding wars for scoops high speed car chases with Hillary Clinton O J Simpson and the baby mama of a philandering congressman all to get that coveted front page story Today few runners and shooters remain on the street Their age and exploits are as bygone as

the News Post war and American newspapers generally Where armies once battled often no one is covering the story at all Funding for this book was provided by Furthermore a program of the J M Kaplan Fund *America's Last Call* David Wilkerson (R.),1998 **Detectives of Europe and America** George S. McWatters,1880 *Christodemocracy and the Alternative Democratic Theory of America's Christian Right* Gabriel S. Hudson,2016-06-25 This book evaluates the democratic theory of America s Christian Right CR The CR has been examined extensively in academic literature However most analyses focus on its origins policy preferences or successful mobilization Hudson instead examines the normative assumptions about governance that inform CR activism The CR has its own answers to the core questions asked in democratic theory such as What legitimizes power and What is the proper relationship between the state and the individual The author outlines ten normative assumptions of the CR and compares each to its counterpoint in liberal democratic theory Much of what the CR believes about democracy comes from the same authors as modern and postmodern democratic theory but differs in its interpretation and application The book describes in detail the theory of CR and demonstrates how the CR operates from a different view of governance than is usually associated with the United States Prohibition and Bootlegging in the American West Jeremy Agnew,2022-10-25 Prohibition was imposed by eager temperance movements organizers who sought to shape public behavior through alcoholic beverage control in the 19th and early 20th centuries The success of reformers efforts resulted in National Prohibition in America from 1920 to 1933 but it also resulted in a thriving illegal business in the manufacture and distribution of illegal liquor The history of Prohibition and the resulting illegal drinking is frequently told through the lens of crime and violence in Chicago and other major East Coast cities Often neglected are the effects of Prohibition on the Western part of the United States and how Westerners rose to the challenge of avoiding the consequences of illegal drinking Illegal liquor was imported from abroad made in stills using strange ingredients that were sometimes poisonous to the unlucky drinker This history includes stories ranging from serious to quirky and provides an entertaining account of how misguided efforts resulted in numerous unintended consequences *Musical America* ,1916 *The American* ,1897 **American War Songs** National Society of the Colonial Dames of America,1925 *The American Florist* ,1922 **The American Printer** ,1925 *United States of America V. Kaiser,Linda Fernandez,Joan Nymand Larsen,2018-02-12 This book is based on presentations from the Conference Arctic Marine Resource Governance held in Reykjavik Iceland in October 2015 The book is divided into four main themes 1 Global management and institutions for Arctic marine resources 2 Resource stewards and users local and indigenous co management 3 Governance gaps in Arctic marine resource management and 4 Multi scale ecosystem based Arctic marine resource management The ecosystem changes underway in the Arctic region are expected to have significant impacts on living resources in both the short and long run and

current actions and policies adopted over such resource governance will have serious and ultimately irreversible consequences in the near and long terms Last Call to the Men of America William John Henry Boetcker,1919
