Bethany Parallel Commentary On The New Testament:

The Bethany Parallel Commentary on the New Testament Matthew Henry, David Brown, Adam Clarke, 1983

Commentaries presented side by side in parallel columns for easy reference and comparison Cover *The Bethany Parallel Commentary on the Old Testament* Matthew Henry, Robert Jamieson, Andrew Fausset, David Brown, Adam Clarke, 1985 This parallel commentary prepared from the condensed editions of the Matthew Henry Adam Clarke and Jamieson Fausset Brown works provides background word definitions and inspirational insights and opinions of all passages Matthew Henry: The Bible, Prayer, and Piety Paul Middleton, Matthew A. Collins, 2019-05-30 Three hundred years after his death Matthew Henry 1662 1714 remains arguably the best known expositor of the Bible in English due largely to his massive six volume Exposition of the Old and New Testaments However Henry s famous commentary is by no means the only expression of his engagement with the Scriptures His many sermons and works on Christian piety including the still popular Method for Prayer are saturated with his peculiarly practical approach to the Bible To mark the tercentenary of Henry s death Matthew A Collins and Paul Middleton have brought together notable historians theologians and biblical scholars to celebrate his life and legacy Representing the first serious examination of Henry s body of work and approach to the Bible Matthew Henry The Bible Prayer and Piety opens a scholarly conversation about the place of Matthew Henry in the eighteenth century nonconformist movement his contribution to the interpretation of the Bible and his continued legacy in evangelical piety

The Faith to Walk on Water Lindsey Bethel, 2013-04-18 Sand between my toes the salt air wrapping around me like a warm summer blanket the crashing of waves and the meeting of sky and water The beach is where I see the handiwork of God As a young child it was there that I wished that I could walk on the water as Jesus and Peter had in Matthew 14 It was there that I learned of faith the faith that requires you to not only step out of the boat but also to focus on Jesus and learn to walk toward Him daily It is not enough to just get out of our comfort zones but now we need to learn to grow and walk toward Him constantly The Faith to Walk on Water takes a look at why standing still in our faith is no longer an option how doubt and fear are overcome by Jesus He does not watch from a distance but He is always there holding out His hand for us to take hold So what are you waiting for Take that step and walk on the water **Race, Color, and Religion Matter** Carl L. Sweat Jr. D.Min M.Div MS BS, 2008-12-08 The secret things belong to the Lord our God but the things revealed belong to us and to our children forever that we may follow all the words of this law Deuteronomy 29 29 NIV As we ponder the question Do race color and religion matter we find that the initial response of many is No If in fact the reader accepts that everything the Creator has made was good then one can acknowledge without reservation that race color and religion have a beneficial existence If the reader can recognize that there is a plan and purpose for all things then without exception one must admit that race color and religion have a purpose on this earth and are ideal instruments of God Race color and religion are deeply intertwined within the life of mankind as well as with the Creator They exist as gifts dispersed among humanity

for the purpose of diversified beautification They were destined by the Creator to be used in the fulfillment of His plan for the population of the earth and His plan of salvation Race color and religion serve as indicators of chronological time and are useful in the study of eschatology They serve as indicators of the three phases of human development the Physical Phase the Spiritual Phase and the Intellectual Phase They are also preordained factors of life for various reasons Some of these reasons have been revealed to humanity the others may not be known until the return of Christ If you are a person who believes that these three factors do not matter you must read this book If you are a person who believes the Christian Bible can be studied without consideration for race color and religion your understanding of the Holy Scriptures is both incomprehensive and inconclusive Through this book your eyes will be opened to a new awareness of the glorious and magnificent works the Creator has done and is doing This book provides a better understanding of the proclamations declared throughout biblical history Also you will be presented with an anthological survey designed to enhance the study of the Christian Bible with a focused consciousness of the topic Let this book serve as a sobering experience and a lesson that race color and religion truly matter

Women at the Cross Linda Lesniewski,2008-02-01 Who were the women present at Christ s crucifixion Why did they come and why did they stay What did they see What did they hear How do their actions speak to people today In searching for answers to these and other questions author Linda Lesniewski discovered that she shared a spiritual kinship with the women who stood there as well as those who have been changed by the cross throughout the years Women who read this book will discover a new depth of love for Jesus Christ and realize a greater appreciation for his sacrifice They will experience the wonders and mysteries of Christ s love and their faith will be strengthened Perfect for small groups or personal study Women at the Cross brings alive the devotion loyalty and servanthood of the women who came who stayed and who continue to come even today
