Steve Taravella, 2013-05-24 Moviegoers know her as the housekeeper in *White Christmas*, the nurse in *Now Voyager* and the crotchety choir director in *Sister Act*. This book filled with never published behind the scenes stories from Broadway and Hollywood chronicles the life of a complicated woman who brought an assortment of unforgettable nurses, nuns and housekeepers to life on screen and stage. Wickes was part of some of the most significant moments in film, television, theatre and radio history. On that frightening night in 1938 that Orson Welles recorded his earth shattering *War of the Worlds* radio broadcast, Wickes was waiting on another soundstage for him for a rehearsal of *Danton's Death*, oblivious to the havoc taking place outside. When silent film star Gloria Swanson decided to host a live talk show on this new thing called television, Wickes was one of her first guests. When Lucille Ball made her first TV appearance anywhere, Wickes appeared with her and became Lucy's closest friend for more than thirty years. Wickes was the original *Mary Poppins* long before an umbrella carried Julie Andrews across the rooftops of London. And when Disney began creating *101 Dalmatians*, it asked Wickes to pose for animators trying to capture the evil of Cruella de Vil. The pinched face actress who cracked wise by day became a confidante to some of the day's biggest stars by night, including Bette Davis and Doris Day. Bolstered by interviews with almost three hundred people and by private correspondence from Ball, Davis, Day and others, *Mary Wickes: I Know I've Seen That Face Before* includes scores of never before shared anecdotes about Hollywood and Broadway. In the process, it introduces readers to a complex woman who sustained a remarkable career for sixty years. **Miriam Hopkins** Allan R.

Ellenberger, 2018-01-12 **Miriam Hopkins** 1902-1972 first captured moviegoers' attention in daring precode films such as *Dr Jekyll and Mr Hyde* (1931), *The Story of Temple Drake* (1933) and Ernst Lubitsch's *Trouble in Paradise* (1932). Though she enjoyed popular and critical acclaim in her long career, receiving an Academy Award nomination for *Becky Sharp* (1935) and a Golden Globe nomination for *The Heiress* (1949), she is most often remembered for being one of the most difficult actresses of Hollywood's golden age. Whether she was fighting with studio moguls over her roles or feuding with her avowed archrival Bette Davis, her reputation for temperamental behavior is legendary. In the first comprehensive biography of this colorful performer, Allan R. Ellenberger illuminates Hopkins's fascinating life and legacy. Her freewheeling film career was exceptional in studio era Hollywood, and she managed to establish herself as a top star at Paramount, RKO, Goldwyn and Warner Bros. Over the course of five decades, Hopkins appeared in thirty-six films, forty stage plays and countless radio programs. Later, she emerged as a pioneer of TV drama. Ellenberger also explores Hopkins's private life, including her relationships with such intellectuals as Theodore Dreiser, Dorothy Parker, Gertrude Stein and Tennessee Williams. Although she was never blacklisted for her suspected Communist leanings, her association with these freethinkers and her involvement with certain political organizations led the FBI to keep a file on her for nearly forty years. This skillful biography treats readers to the intriguing stories and controversies surrounding Hopkins and her career, but also looks beyond her Hollywood persona to explore the star as an uncompromising artist. The result is an entertaining portrait of a brilliant yet underappreciated performer.
