

Better Angel

by Richard Meeker

While Truman Bowers is better known for his work as a puppeteer and a notable film festival Translucent Theatre, he also published what would become the first homosexual novel which presented the theme in a good light. In his novel, Bowers opened new doors with its coating of ego, spirituality and discovering each's sexuality.

Better Angel was published in 1955 under the pseudonym Richard Meeker. He chose to have used a pseudonym in order to protect his career and his parents. The title of the novel is a reference to Francis 144 by Shakespeare, ("the better angel is a more right leaf") a poem which has been considered in modern times to contain homosexual content.

The novel is a Bildungsroman, in which readers can follow the journey and maturing of the main protagonist Kurt Gray. The novel is a play on the author's own name. The story follows Gray from his adolescent years in Michigan as a student and his progress as a computer and musician.

Gray has a troubled and isolated adolescence, when he speaks a lot of time making friends. He also starts making the Bible and has a spiritual evolution. In addition, Gray also struggles with gender delineation and develops an interest in women through his spiritual evolution which had been triggered by reading Chaucer, Milton, Lee and David also suggest hidden knowledge, a subtle reference to his discovering his own sexuality.

A Better Angel Chris Adrian, 2008-08-05 The stories in *A Better Angel* describe the terrain of human suffering illness regret mourning sympathy in the most unusual of ways In *Stab* a bereaved twin starts a friendship with a homicidal fifth grader in the hope that she can somehow lead him back to his dead brother In *Why Antichrist* a boy tries to contact the spirit of his dead father and finds himself talking to the Devil instead In the remarkable title story a never-do-well pediatrician returns home to take care of his dying father all the while under the scrutiny of an easily disappointed heavenly agent With *Gob's Grief* and *The Children's Hospital* Chris Adrian announced himself as a writer of rare talent and originality The stories in *A Better Angel* some of which have appeared in *The New Yorker* *Tin House* and *McSweeney's* demonstrate more of his endless inventiveness and wit and they confirm his growing reputation as a most exciting and unusual literary voice of heartbreaking magical and darkly comic tales

The First Peace; My Search for the Better Angels Charles Wilson Hatfield, 2013-10-30 *The First Peace* *My Search for the Better Angels* is a spiritual intellectual emotional and perhaps educational memoir that spans fifty plus years eleven states three countries military and seminary birth and death marriage and divorce three Christian denominations and a monastery This memoir is a journey through faith and knowledge hope and reality love and experience The author attempts to reconcile what he has been taught what he believes what he experiences what he knows what he wants and what he perceives His unacknowledged question What do we do when we evolve beyond the faith of our fathers and or mothers After a life of seeking to understand

through the lens of Christianity and other religions the author comes to understand that religious beliefs and dogma may become a barrier to faith and understanding The author learns that liberty entails responsibility faith requires self reliance and enlightenment is found within Liberty and freedom entail responsibility responsibly that no other person or institution can assume for use We remain responsible for our actions and inactions No person government or religious institution can assume or remove our responsibility for our actions for our lives The First Peace My Search for the Better Angels is an attempt to weave a tapestry of stories ideas and ideals ethics experiences and expressions with the goal and hope to entertain inform educate persuade stimulate and even challenge Perhaps The First Peace My Search for the Better Angels will remind you of your own experiences thoughts and feelings that provide some measure of contentment but also some measure of challenge even conflict The silence beyond those reminders is where we find the first peace and where we are at liberty to be real and where the better angels of our nature touch us *The better Angels Of Capitalism* Andrew
