Ladies' Home Companion ,1929 Secrets of Feeding a Healthy Family Ellyn Satter,2011-12-01 Ellyn Satter s Secrets of Feeding a Healthy Family takes a leadership role in the grassroots movement back to the family table More a cooking primer than a cookbook this book encourages singles couples and families with children to go to the trouble of feeding themselves well Satter uses simple delicious recipes as a scaffolding on which to hang cooking lessons fast tips night before suggestions in depth background information ways to involve kids in the kitchen and guidelines on adapting menus for young children In chapters about eating feeding choosing food cooking planning and shopping the author entertainingly helps readers have fun with food while not eating unhealthily or too often She cites current studies and makes a convincing case for lightening up on fat and sodium without endangering ourselves or our children The book demonstrates Satter s dictum that your positive feelings about food and eating will do more for your health than adhering to a set of rules about what to eat and what not to eat **New-York Observer** ,1908 Home Science Magazine ,1903 **American Magazine** ,1922
