Better Woman:

A Better Woman Susan Johnson, 2010-05-11 Acclaimed novelist Susan Johnson found at age thirty five that her desire to have a baby became overwhelming She had no inkling what motherhood would cost or give her But as she went on to experience pregnancy and birth and their impact on her marriage health and heart she recorded it all In this hauntingly lovely account Johnson portrays a woman transformed by motherhood and a writer forever changed by a widening chasm of experience Her initial ecstasy jostles against bewilderment rage and despair however when she develops a rare complication of childbirth she is a one woman catastrophe a small ruined country She is also burning to get words on paper The result *A Better Woman* should be required reading for every woman hungry to give birth and every mother yearning to have her deepest feelings heard

Best Woman Rose Domm, 2025-09-23 The best woman in her brother's wedding tells a little white lie in her quest to get the girl her lifelong crush and the maid of honor in this wildly entertaining debut novel about bad decisions and life's messiest transitions Irresistibly fresh bright funny and bursting with singular voice this is the kind of romance I've been waiting for Casey McQuiston New York Times bestselling author of *The Pairing* Julia Rosenberg loves her brother Really loves him Enough to be the best woman at his wedding leave behind her hard won New York life brilliant best friends and drag brunches for Boca Raton Florida entertain the uptight bride to be and her vicious cronies try and fail to dodge the hometown hookup buddy she can't resist and navigate the tricky dynamics with her divorced parents She's not that nervous Her family stood by her when she came out as a woman a few years ago And it's just one week in Florida a week of old memories and sisterly duties that will force Julia to confront the tensions that have been bubbling beneath the surface of her closest relationships No big deal When it turns out that Kim Cameron the gorgeous self-assured girl that she crushed on hard in high school is the maid of honor Julia panics She tells a teensy little lie to win Kim's favor a lie that snowballs out of control and threatens to undermine the blossoming attraction between them and complicate an already challenging relationship with her family Using her wit charm and a suitcase full of couture borrowed from a pop star Julia just might survive the horde of clone-like bridesmaids go-kart racing bachelor parties and alcohol-fueled speeches But she won't make it out unscathed As best woman she's making the worst decisions of her life An utterly contemporary send-up of *My Best Friend's Wedding* and a riotous coming-of-age novel *Best Woman* is rife with crackling wit and devastating poignancy and announces Rose Domm as an exciting voice in fiction

The New Woman's Film Hilary Radner, 2017-01-20 With the chick flick arguably in decline film scholars may well ask what has become of the woman's film Little attention has been paid to the proliferation of films often from the independent sector that do not sit comfortably in either the category of popular culture or that of high art films that are perhaps the corollary of the middle-brow novel or smart chick flicks This book seeks to fill this void by focusing on the steady stream of films about and for women that emerge out of independent American and European cinema and that are designed to address an international female audience The new woman's film as a genre

includes narratives with strong ties to the woman's film of classical Hollywood while constituting a new distinctive cycle of female centered films that in many ways continue the project of second wave feminism albeit in a modified form Topics addressed include The Bridges of Madison County Clint Eastwood 1995 the feature length films of Nicole Holofcener 1996 2013 the film roles of Tilda Swinton Rachel Getting Married Jonathan Demme 2008 Blue Jasmine Woody Allen 2013 Frances Ha Noah Baumbach 2012 Belle Amma Asante 2013 Fifty Shades of Grey Sam Taylor Johnson 2015 and Jane Campion's Top of the Lake Sundance Channel 2013
