Between Losing Finding:

Finding the God Who Is Finding Me Richard G. Starshak,2025-01-06 Can it be that you and I can somehow find God Can all our searching Him out and seeking His presence actually bring us to the point that we can actually declare that we have found God And does this mean that God was somehow lost Or was it me Who actually finds who When you are ready to put into action what your heart has been telling you for some time that there is a God that He can be sought out and found then these words are meant for you You may also be surprised at what you read as to who really is finding who For the God you find may be the one who has already found you Get ready to enter into the most important search you ll ever make and the surprises you might find along the way
