commentary on Revelation is for those who are looking for an easy to read biblically central and Christologically focused commentary on one of the most intriguing books of the Bible It is a shame that pastors and followers of Jesus avoid the book of Revelation because of the confusing theories they heard about in the past or just too many movies This commentary attempts to get away from the needless debate though different views are presented and focus the reader s attention on the primary focus of the book the Lamb of God The Lamb holds history in his hand by virtue of his eternal authority and his invested authority because of the blood that he spilled and his testimony Therein lies his victory and therein lies the victory for those who follow him
