All About Leo:

Leo's Misadventures Bruce McCoury,2023-03-06 Leo s Misadventures is about Leo McGregor a twenty year old surfer dude from Kitty Hawk North Carolina who won a 156 million lottery He decided to get out of town for a while to get away from the locals who badgered him for a handout He hitchhiked across America to Santa Monica California via Route 66 After a thirty nine day journey across the country Leo ended up at the Santa Monica Pier with a journal full of stories and a girlfriend named Abby Walker When he left Kitty Hawk he had no idea what he would do when he arrived at his destination Would he turn around and head back east or stick around on the West Coast for a while Leo and Abby rented a beach house on the Pacific Ocean near the famous pier to give them time to figure things out On his journey Leo had given a lot of thought about the best way to use the money he had won After much thought and discussion with Abby he decided to start a charitable foundation He and Abby found a nice office space near the pier and leased it for one year Leo needed an attorney and found one in Santa Monica named Jess who helped him set up the foundation With his charitable foundation up and running Leo needed someone to run the day to day operations He found Freddy who lived in Malibu with his adopted parents to fill this critical position Leo Abby Jess and Freddy became good friends and enjoyed themselves on the coast when they weren t working Eventually Leo bought an apartment building on the beach and converted it into a surf shop He hired Brody a local surf builder to run the shop and use locals to help create the boards Any profits would be donated to charity With everything running smoothly Leo began to ponder the need for similar charities in other parts of the country or internationally
