All Misemono:

Visions of Japanese Modernity Aaron Gerow, 2010-05-14 Japan has done marvelous things with cinema giving the world the likes of Kurosawa Mizoguchi and Ozu But cinema did not arrive in Japan fully formed at the end of the nineteenth century nor was it simply adopted into an ages old culture Aaron Gerow explores the processes by which film was defined transformed and adapted during its first three decades in Japan He focuses in particular on how one trend in criticism the Pure Film Movement changed not only the way films were made but also how they were conceived Looking closely at the work of critics theorists intellectuals benshi artists educators police and censors Gerow finds that this trend established a way of thinking about cinema that would reign in Japan for much of the twentieth century Fertility and Pleasure William R. Lindsey, 2006-11-30 As their ubiquitous presence in Tokugawa artwork and literature suggests images of bourgeois wives and courtesans took on iconic status as representations of two opposing sets of female values Their differences both real and idealized indicate the full range of female roles and sexual values affirmed by Tokugawa society with Buddhist celibacy on the one end and the relatively free sexual associations of the urban and rural lower classes on the other The roles of courtesan and bourgeois housewife were each tied to a set of value based behaviors the primary institution to which a woman belonged and rituals that sought to model a woman s comportment in her interactions with men and figures of authority For housewives it was fertility values promulgated by lifestyle guides and moral texts which embraced the ideals of female obedience loyalty to the husband s household and sexual activity aimed at producing an heir Pleasure values by contrast flourished in the prostitution quarters and embraced playful relations and nonreproductive sexual activity designed to increase the bordello s bottom line What William Lindsey reveals in this well researched study is that although the values that idealized the role of wife and courtesan were highly disparate the rituals symbols and popular practices both engaged in exhibited a degree of similitude and parallelism Fertility and Pleasure examines the rituals available to young women in the household and pleasure quarters that could be employed to affirm transcend or resist these sets of sexual values In doing so it affords new views of Tokugawa society and Japanese religion Highly original in its theoretical approach and its juxtaposition of texts Fertility and Pleasure constitutes an important addition to the fields of Japanese religion and history and the study of gender and sexuality in other societies and cultures **Silent Cinema and the Politics of Space** Jennifer M. Bean, Anupama Kapse, Laura Horak, 2014-04-02 In this cross cultural history of narrative cinema and media from the 1910s to the 1930s leading and emergent scholars explore the transnational crossings and exchanges that occurred in early cinema between the two world wars Drawing on film archives from around the world this volume advances the premise that silent cinema freely crossed national borders and linguistic thresholds in ways that became far less possible after the emergence of sound These essays address important questions about the uneven forces geographic economic political psychological textual and experiential that underscore a non linear approach to film history The messiness of film history as

demonstrated here opens a new realm of inquiry into unexpected political social and aesthetic crossings of silent cinema

The Oxford Handbook of Silent Cinema Rob King, Charlie Keil, 2024 The Oxford Handbook of Silent Cinema is a collection of new scholarship that investigates the first decades of motion picture history from diverse perspectives and methodologies Featuring over thirty essays by leading scholars in the field the Handbook offers a comprehensive overview of cinema s earliest years while also illuminating how cinema derived strength from competing cultural forms becoming in the process the most influential mass medium of the early twentieth century

The Curious Case of the Camel in Modern Japan Ayelet Zohar, 2022-08-22 In The Curious Case of the Camel in Modern Japan Ayelet Zohar critically analyzes camel images as a metonymy for Asia and Japanese attitudes towards the continent The book reads into encounters with the exotic animals from nanban art realist Dutch influenced illustrations through misemono roadshows of the first camel pair imported in 1821 Modernity and Japan s wars of Pan Asiatic fantasies associated camels with Asia s poverty bringing camels into zoos tourist venues and military zones as lowly beasts of burden while postwar images project the imago of exotica and foreignness on camels as Buddhist peace messengers Zohar convincingly argues that in the Japanese imagination camels serve as signifiers of Asia as Otherness the opposite of Japan s desire for self association with Western cultures

Archiv 65 Weltmuseum Wien Friends, **Writing Cinema** Aaron Andrew Gerow, 1992 **Visioning Eternity** Thomas D. Looser, 2008 In one of the more remarkable public events of the Tokugawa world the shogun responded to a deepening crisis in 1840s by sponsoring a huge once in a generation noh performance the largest performance ever held This is the first Western language book on Edo period noh and its use by the shogun an essential addition to the scholarship in Japanese theater and the cultural history of early modern Japan

Japan at the Exhibition, 1867-1970 Angus Lockyer, 2000

License to Play Michal Daliot-Bul, 2014-10-31 The linguistic concept of play in Japanese Play as a formative element of culture The otherness of play The rules of the game or how to become the best player Creativity in play Contested meanings of play

Farting Barry Seltzer, Erwin Seltzer, 1999 Barry Seltzer first became interested in the subject of flatulence when he read about a lawyer named Clark Head in California who changed that his opponent District Attorney Ned Lowenbach repeatedly passed gas during a four week jury trial and in this fashion affected the jury s verdict Intrigued Barry and his brother Erwin began a more thorough inquiry into the subject The author quickly realized that flatulence makes its way into every area of life There are geochemical theories dealing with global warming and dinosaurs as well NASA s high altitude testing of astronauts and flatulence These and a multitude of anecdotes stories observations and yes lawsuits about flatulence leave you gasping for breath with laughter from this wonderful tasteful and mirthful book about North America s last taboo
